JOIN THE MOVEMENT

WHO WE ARE
CareForAllChildren (CFAC) is a national bi-partisan campaign that advocates for affordable, accessible, and high-quality childcare for all children.

We nurture partnerships across state lines and political divides, building a collective momentum that cannot be ignored.

We raise the voices of parents and come together to advocate for meaningful change.

THE CHILDCARE CRISIS
Due to high cost, limited availability, or incompatible program hours, childcare challenges are driving parents at all socioeconomic levels out of the workforce at an alarming rate.

Working parents are being set up to fail and children are lacking the opportunity to flourish. All of society suffers when high quality and affordable childcare options are not available for working families.

MORE THAN 20% OF AMERICAN FAMILIES ARE GOING INTO DEBT TO PAY FOR CHILDCARE AND PRESCHOOL

AFFORDABLE CARE SHOULD COST LESS THAN 10% OF A HOUSEHOLD'S INCOME, FAMILIES ARE SPENDING 30-50%

USA LOSES $57B IN REVENUE, WAGES AND PRODUCTIVITY ANNUALLY DUE TO THE CHILDCARE CRISIS

Studies indicate that quality early childhood development encourages healthier lifestyle behaviors throughout the life cycle.

High-quality early care and education leads to higher graduation rates and rates of employment later in life.

Early education and care builds a foundation that can permanently boost IQ and social-emotional skills, creating more independent, productive adults.

Investing in early childhood education and care helps close the education, income, and gender gaps.

For every dollar we spend now saves us up to $11 in later spending, minimizing our investment in social programs, criminal justice costs, and more.

High-quality early care and education is crucial to the development of our children, setting them up for success later in life and effectively breaking the poverty cycle.

With an adequate supply of affordable, high-quality childcare, Americans can keep a competitive edge in the global marketplace by giving working parents a chance to successfully return to the workforce, advance their skills and careers, and increase revenues.
