Marcos and Angelica have been working hard for many years but never thought they would be in a position to buy their own home - until they found VCCDC. With the guidance of the team at VCCDC, Marcos increased his credit score by over 150 points and they were able to access $15,000 in down payment assistance. From start to finish, VCCDC walked Angelica and Marcos through the whole process until they successfully purchased their home in Oxnard and moved the family in! They are now enjoying all of the benefits that homeownership brings; long term financial security, peace of mind and stability for their children.

“Without VCCDC we would be lost. They helped us find $15,000 in down payment assistance, we increased our credit score by 150 points and learned a lot with the coaches.” - Angelica Barajas, VCCDC Client
