
THE REVEREND CHRIS S WARNER

PROFILE

My call from the Lord is to preach, teach, pray and lead (Acts 6:4) and my purpose in life is to know God and make God's glory known. This glory is the glory of the One and Only Son who is full of grace and truth (John 1:14). My passion is to help people come alive in Christ, live from the Father's heart as his beloved children, and then, in the power of the Holy Spirit, to grow as disciples who make disciples of others. My great loves in this life are my wife Catherine and our three children: Anna, Caroline and Nathan.

EXPERIENCE

RECTOR, CHURCH OF THE HOLY CROSS: SULLIVAN'S ISLAND, DANIEL ISLAND, SC –
2015-PRESENT

Currently serve as the Rector of a large, multiple-campus church in the Anglican Diocese of South Carolina. With a ministry staff of 22, a pre-school on two campuses (and staffs), Holy Cross is a community living for Christ in the power of the Spirit to the glory of the Father. Over the past few years we have transitioned from a predominantly "seeker" model church to a relational and discipleship model church that focuses on Life Groups in which leaders are raised up and released to disciple others. Holy Cross is active in mission both internationally and locally.

ASSOCIATE PRIEST, CHURCH OF THE HOLY CROSS – 2011-2015

Served in a second "tour of duty" at Holy Cross and developed systems of member incorporation, retention, and discipleship. Set the foundation for our shift to relational discipleship and to a small group based church.

RECTOR, ST CHRISTOPHER CAMP AND CONFERENCE CENTER,
SEABROOK ISLAND, SC – 2007-2011

Oversaw the renewal of the Diocesan Camp and Conference Center, with a staff of more than 60 people and a multi-million dollar budget. This included all aspects of its life so that it became a ministry of rest, restoration and renewal. At the heart of this transformation was making Jesus Lord in all areas of the ministry: from staff to programs to budget to worship to hospitality.

ASSOCIATE RECTOR, CHURCH OF THE HOLY CROSS – 2002-2007

In this first "tour of duty" I participated in the rapid growth of the parish and assisted in the establishment of the second campus at Daniel Island. I oversaw the restoration, prayer and healing ministries and established a men's hiking ministry which helped transform the parish as men came to faith and engaged in ministry. This hike ministry has spread around the diocese and across denominations.

CURATE, TRINITY EPISCOPAL CHURCH, COLUMBUS, GA – 2000-2002

Served as a generalist in all facets of pastoral ministry. Oversaw Alpha, youth ministry, and the establishment of a new multi-generational worship service with a missional focus.

ANALYST, BANK OF AMERICA, CHARLOTTE NC – 1997

Served as an Analyst reconciling software and databases associated with Bank of America's regional bank mergers and acquisitions.

CONSULTANT, BROADWAY AND SEYMOUR, CHARLOTTE NC – 1994-1997

Served as a consultant, trainer and content developer for the Change Enablement division of Broadway and Seymour. In that capacity I worked with Business Analysts and Programmers to develop software systems and training for mortgage industry clients.
