2021 McAuliffe Center Paid Internships & Work Study

Intership Opportunities

Perspectives of Earth

Needs to be available 10 hours/week from September 2021 to January 2022 and commit to:

- Coordinating activities on Tuesdays from 2pm – 4pm in person at one of our partner high schools in Framingham, Marlborough, or Milford
- Facilitating activities on Thursdays from 4:30pm – 6:30pm remotely with students from all three high schools

Duties also include: researching program subject matter; reviewing NASA GLOBE Observer mobile app data collected by high school students for quality, relevance, and protocols; and coordinating virtual and in-person meetings with subject matter experts from the TEMPO team at the Smithsonian Astrophysical Observatory.

STEM Program Facilitator

Needs to be available 2-4 shifts/week (Monday-Friday):

- 8:30am – 11:30am (not negotiable)
- 11:00am – 2:00pm (not negotiable)

Duties include: facilitating and assisting in-person STEM learning programs for elementary, middle, and high school students; set-up and clean-up; actively developing presentation and communication skills; and committing to a high standard of inclusive educational practices.

Work Study

Challenger Center Mission Specialist

Needs to be available 1-2 shifts/week (Monday-Friday):

- 8:30am – 11:30am
- 11:00am – 2:00pm

Duties include: facilitating and assisting in-person STEM learning programs for elementary, middle, and high school students; set-up and clean-up; actively developing presentation and communication skills; and committing to a high standard of inclusive educational practices.

STEM Week Community Outreach Assistant

Needs to be available 10-18 hours/week from October 18 to October 27 and commit to:

- Training from October 1 to 15 (flexible schedule)
- Possible schedules for daily implementation of:
  - 8:30am – 1:30pm, 8:30am – 10:30am, 10:30am – 12:30pm, or 10:30am – 1:30pm

Duties include: assisting McAuliffe Center facilitators during the statewide initiative called Massachusetts STEM Week: facilitating movement of groups; running activities; set-up and clean-up; and social media.
