

Soteria Solutions

works with colleges, high schools, federal and state agencies and businesses to achieve sustainable change by creating and maintaining safe and respectful learning, working and living environments.

The Greek goddess of safety and salvation.

The Challenge

Study after study reveals that students and employees regularly face incivility, harassment, assault and discrimination in school and in the workplace.

Our Mission

To create a better world where people are safe and respected in their learning, living and working environments; where incivility, harassment, violence and discrimination are eradicated.

The Catalyst to Ignite Change

Soteria Solutions works with organizations who are committed to building the capacity to achieve sustainable change.

We affect sustainable change with proven, research-based solutions, working closely with our clients to ignite change so our clients then carry the torch to maintain an environment of safety and respect for all.

Solutions for Sustainable Change

Our research-based, customized solutions are proven to be the most effective strategies to prevent and react to undesirable behaviors including incivility, harassment, violence and discrimination.

Our solutions, based on decades of research, are developed and implemented to leverage an institution's strengths. We embrace the importance of customization to understand and leverage our client's unique protective factors as it is such factors that are essential to achieve lasting impact.

Through consulting and training, skills are learned and organizational frameworks are improved to make integral, strategic advances.
