2) COLLECTIVE IDENTITY:

While we accept as Muslim anyone who identifies as such, the veracity and integrity of that claim is between the individual and God, and is not a matter for the state nor an issue which other individuals can or should judge. We welcome all Muslim and Non-Muslims who share our belief in a world where each person has value and deserves respect.

2) EQUALITY:

We affirm the equal worth of all human beings, regardless of race, sex, gender, gender identification, ethnicity, nationality, creed, sexual orientation, or ability. We are committed to work toward societies that ensure social, political, educational, and economic opportunities for all.

3) SEPARATION OF RELIGIOUS AND STATE AUTHORITIES:

We believe that freedom of conscience is not only essential to all human societies but integral to the Qur'anic view of humanity. We believe that secular government is the only way to achieve the Islamic ideal of freedom from compulsion in matters of faith.
4) FREEDOM OF SPEECH:

We support freedom of expression and freedom of dissent. No one should be prosecuted, imprisoned, detained, or persecuted in any way for declaring or promoting unpopular opinion.

5) UNIVERSAL HUMAN RIGHTS:

We are committed to social, economic and environmental justice. We believe that the full self-realization of all people, in a safe and sustainable world, is a prerequisite for freedom, civility, and peace. We support efforts for universal health care, universal public education, the protection of our environment, and the eradication of poverty.

6) GENDER EQUALITY:

We support women’s agency and self-determination in every aspect of their lives. We believe in women’s full participation in society at every level. We are committed to reproductive justice and empowering women to make healthy decisions regarding their bodies, sexuality, and reproduction.

7) LGBTIQ+ INCLUSION:
We support full equality and inclusion of all individuals, regardless of sexual orientation or gender identity, in society and in the Muslim community. We are committed to ending discrimination based on sexual orientation and gender identity. We endorse the human and civil rights of lesbian, gay, bisexual, transgender, queer, and intersex (LGBTIQ) individuals.

8) CRITICAL ANALYSIS AND INTERPRETATION:
We believe that critical thinking is essential to spiritual and social development. We promote interpretations that reflect traditional Qur’anic principles of inclusiveness, mercy, compassion, and fairness. We call for critical engagement with Islamic scripture, traditional jurisprudence in current Muslim discourses.

9) Compassion:
We affirm that justice and compassion should be the guiding principles for all aspects of human conduct. We repudiate the use of violence whether on an individual, organizational, and/or national level.

10) Diversity:
We embrace pluralism and the diversity of inspirations that motivate people to embrace justice. We affirm that one’s belief system is not the exclusive source of truth. We engage with a diversity of philosophical, spiritual and non-spiritual traditions to pursue a more just, peaceful and sustainable world.

10) تنوع:
میں پلاورولوز اور محرقات کی تنوع کو قبول کرتی ہوں جو ایک یا ایک کو انصاف کی طرف مائل کرتی ہوں۔ میں تصمیق کرتی ہوں کہ کسی کا ذاتی مقصد محفوظ سمجھی جاتی ہے بنیادی اور عبادت پر مشتمل۔ میں حالیہ انصاف سندیدی پر اور اپنے ساتھ اور اپنے ساتھ اور اپنے ساتھ اور اپنے ساتھ اور اپنے ساتھ اور اپنے ساتھ اور اپنے ساتھ اور اپنے ساتھ اور اپنے ساتھ۔ میں کیا حصوں کی لئے قابلیت۔ روہانی اور غير روہانی روایات کی تنوع کی سامنے مشغول ہوں۔
Declaration

MPV Urdu is an international organization, not restricted to a specific country. We are just trying to eradicate extremism, patriarchy, oppression and hate in the name of Islam. We are trying to bring back the humane and peaceful Islam, for a meaningful and purposeful life. It is not our intention to hurt anyone’s feelings but to instigate critical thinking. We respect everyone’s faith and everyone’s right to express them, as long as they don’t promote hate or violence. We also have our God-given right to express our beliefs, and have no intentions of prejudice, judgement or enforcing on others. We acknowledge that as human beings we can be wrong, and we are always open to discussion based on sincerity, or “ikhlas”.
