Midwest Young Artists Conservatory (MYAC) is the premier youth music ensemble program in the Midwest, serving over 900 students from 84 communities throughout Chicagoland & beyond.

“I notice the influence of the social and musical enrichment that MYA provided each day. Undoubtedly, MYAC has been the greatest influence in my life.”

“MYAC changed my life forever. There are no words to describe how special MYAC really is.”

- MYAC Alumni

IMPACT OF MUSIC EDUCATION ON YOUTH

Research shows that students who study music—across the socio-economic spectrum—benefit from:

- Improved performance in math, science, and reading
- Higher GPA’s and 100 point average gain on SAT
- Higher college attendance and graduation rates
- Higher college degree & employment rates for low socio-economic status students

And yet, we face a crisis of de-funding for the arts. 79% of high school music budgets must be supplemented by fundraising. **MYAC’s work has never been more critical.**

100% of MYAC graduates continue to college or conservatories

158 students received $106,549 in financial aid and scholarships in 2019-20
PARTNERING WITH MYAC

Corporate partnerships help make possible MYAC programs, concerts/events, and special projects, as well as bringing exceptional music education to underserved students.

Our partners enhance their brand image with thousands of parents, alumni, students, and audience members, developing customer/client relationships and strengthening their positive reputation in the community.

Benefits may include promotion and recognition to our large and diverse constituent base via email (13,000+ distribution list), social media, website, print marketing, press releases, and at concerts/events (18,000+ annual attendees). Employee volunteer opportunities and student performances at your events are also available.

We look forward to working with you to find the event, program, or project that best aligns with your community support objectives and target audience.

WHAT MAKES MYAC UNIQUE

**Nurturing Environment**

MYAC is unique in our focus on musical and personal growth. Our world-class faculty help students thrive in a challenging yet nurturing environment, and learn values of hard work, perseverance, teamwork, leadership, and giving back. MYAC not only makes great music with kids, but great kids with music.

**Quality & Breadth**

MYAC is unparalleled in our comprehensive program offerings. MYAC serves all ages and abilities through many levels of orchestras, chamber groups, jazz bands, choirs, & other programs. The MYAC experience is so unique that many families will drive 1-2 hours each way to the MYAC Center every weekend.

**Diversity & Inclusion**

MYAC is committed to ensuring our programs are accessible to all students, and no student is turned away based on ability to pay. In addition, our Young Music Scholars program provides tuition-free lessons and ensemble participation for low-income students from underserved communities.
