# WHAT IS SPECIAL ABOUT THE 4-H FAIR? EVERYTHING!

Hosted by the Somerset County 4-H Association, the Fair is the highlight of the year for hundreds of 4-H club members. Throughout the year, youth acquire skills that they are able to showcase at the 4-H Fair through a variety of exhibits, demonstrations, and competitions.

Since 1948, visiting the 4-H Fair for Free Family Fun has been a summertime tradition for generations of families in central New Jersey. With 15 acres of 4-H activities and exhibits, fairgoers can connect with the area’s agricultural heritage and glimpse the future with demonstrations of projects in computer science and robotics. The three day Fair is the county’s largest event and attracts more than 40,000 visitors. Additionally, the 4-H Fair’s legendary Food Tent draws people from near and far.

The 4-H Fair also serves as a special venue for corporations, local businesses, and community groups to promote their products or services while showing their support of the 4-H Program and our nation’s youth.

The 4-H Fair would not be possible without the help of our Sponsors. That is why we need your support. The 2025 Somerset County 4-H Fair is August 6-8, at North Branch Park in Bridgewater, N.J. Join us by becoming a 4-H Fair Sponsor!

Over 40,000 Visitors

# WHAT IS 4-H?

The 4-H Youth Development Program is America's oldest and largest youth organization with six million members. Youth in grades K-13 (one year out of high school) complete hands-on projects in areas such as science, health, agriculture, and civic engagement. These young people gain communication and leadership skills, participate in community service, and explore career options.

4-H is delivered by the nation's Cooperative Extension System using the knowledge and resources of the land-grant universities and dedicated volunteers. The Somerset County 4-H program is one of the largest in New Jersey and has received national recognition for its innovative programs.

More than a century since its founding, 4-H continues to engage youth across the nation from inner cities to suburban neighborhoods and rural farms, empowering the next generation with the skills that they need to succeed.

**Somerset County's  
Largest Event!**
