

HEMPHILL **CAUGHT** DEFRAUDING THE SCHOOL DISTRICT

Siah Hemphill claimed she was unable to work because of medical reasons, but she accepted another job while on paid Family Medical Leave with the Silver Consolidated Schools.

By **RIPPING OFF** our schools, Siah Hemphill took money away from educating our kids and proved she's not fit for the job of representing us in Santa Fe.

We deserve honest leadership, not **SCAM ARTISTS** like Siah Hemphill.
