Special Guest Speakers
1 we show respect

We are a team. We live up to the same expectations as we would in person.

2 we take care of our technology

We respect all equipment. We mute ourselves when we are not speaking. We do not talk over our teammates.

3 we focus

We have a lot to learn. ALL our attention is focused on the class. We do our best to limit distractions around us. We wear headphones if possible.

4 we participate

We speak up; we ask for help when we need it.

5 we own the content

This is our class. This is our opportunity to learn more about the animation field.

6 we attend class

Our voices and ideas are valued. We log into class on time and stay until the end whenever possible.
