If all of us were entering a city landscape together, as you come into the picture, what object would you be? A tree, a specific building, a creature of some kind? What object would represent you today in this new world?

TAP Incentives Information
The Reward Card Frequently Asked Questions

How does the Visa Card work?
Once your card is activated, funds will be remitted to your card account representing the reward you are due. You can then use your card to make purchases everywhere Visa debit cards are accepted. Balance and transaction details are available to you online or through the 1-800 number listed below or optionally through a mailed statement. If you have questions about the card or its use, go to www.paymentcardinfo.com or call 1-833-848-5768.

How do I get cash?
By using your PIN number, you can get cash from ATM's anywhere you see a Visa or PLUS symbol on the ATM. The amount you can withdraw at one time is governed by the ATM owner and may vary. Typically there will be a charge by the ATM owner for using this ATM. You can also get Cash Back at participating merchants such as grocers, drug stores and oil companies by selecting DEBIT, entering your four-digit PIN number and selecting a cash back amount at point of sale.

How do I get funds placed on the card?
Once you activate your card, your program administrator will load funds to your card account electronically.

What do I do if the card is declined?
This means that the amount authorized by the merchant is more than the remaining card balance plus any associated fee.

Fees may apply. See Cardholder Agreement for details.

Please see reverse side for continued frequently asked questions.

FOLLOW THESE INSTRUCTIONS TO ACTIVATE AND BEGIN USING YOUR REWARD CARD.

1. To activate your card, call 1-833-848-5768.
2. During the activation, you will receive a Personalized Identification Number (PIN) for use of the card at an ATM or INTERLINK merchant terminal. You will have an option to change this number.
3. Turn the card over and sign your name in ink on the signature stripe.
4. After following the instructions above, you need to make sure funds have been loaded on the card. Your Reward Card is then ready to use.

Card is issued by MetaBank®, N.A., Member FDIC, pursuant to a license from Visa U.S.A Inc. Card may be used everywhere Visa debit cards are accepted.
