TAP Animator Creed: Virtual Learning Edition

1 we show respect
We are a team. We live up to the same expectations as we would in person.

2 we take care of our technology
We respect all equipment used in this group. We utilize our technology with care and professionalism in order to support the learning experiences of all who attend.

3 we focus
We have a lot to learn. ALL our attention is focused on the class. We do our best to limit distractions around us. We wear headphones if possible.

4 we participate
We speak up; we ask for help when we need it.

5 we own the content
This is our class. This is our opportunity to learn more about the animation field.

6 we attend class
Our voices and ideas are valued. We log into class on time and stay until the end whenever possible.
Orientation: Webinar

This mega group will operate in webinar format.

Attendees will not be able to turn on their video or microphone.

Note that you will be counted in our attendance as soon as you log in to the webinar. **You do not need to follow up with us regarding attendance.**

We understand that technical difficulties occasionally happen. In the event that you lose connection, please try to rejoin the webinar as soon as possible. You will still receive your incentive if you are disconnected from the webinar.

We will not be taking a formal break during this mega group. Please take care of yourself by taking breaks independently as needed.
Orientation: Chat and Q & A

The chat feature has been disabled for this group. We invite you to utilize the question and answer feature by following these instructions:

1. Click the Q & A button on your screen.
2. Click the blue “ask a question” button.
3. Type in your question and click send.
4. Your question will be sent to our panelists and either answered verbally or through written text.

Please utilize the Q & A feature to submit questions to our guest speaker throughout the program. Due to the high number of submissions, it may take the TAP team some time to respond.
