VIRTUAL PERFORMANCES

For Your Teams, Near and Far

Businesses of all sizes are looking for thoughtful and engaging ways to foster community among their virtual teams. At CultureBuilds, we have crafted performances and events for partners around the globe—from Chicago, IL to Sydney, Australia.

Our team will work with you to select a theme that you'd like to explore, and then we'll craft a 60- to 90-minute virtual performance. This joy-filled event is guided by a CultureBuilds emcee and weaves together original stories and live music to create a one-of-a-kind virtual experience.

*"This was the best Zoom experience I've ever been on!
Thank you for making it so we could join you from afar!"*
