September 1, 2022 – August 31, 2025

## PURPOSE

The institutions named above (hereinafter "College or "ACC" and "CHARTER SCHOOL") enter into the following partnership<sup>1</sup> agreement for the implementation of dual credit programs which are designed to enable eligible high school students the opportunity to enroll in college credit courses that also fulfill high school graduation requirements.

The purpose of this Agreement is to outline the roles and responsibilities of ACC and CHARTER SCHOOL for participation in the dual credit programs. This Agreement encompasses all dual credit programs, including Early College High School (ECHS), and the Career Academies program as required by the Texas Higher Education Coordinating Board (THECB).

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ACC and CHARTER SCHOOL agree as follows:

<sup>&</sup>lt;sup>1</sup> The term 'partnership' as used in this Agreement refers to the dual credit partnerships as described in Title 19, Part 1, Chapter 4, of the Texas Administrative Code and ACC's Board Policy GH (LEGAL). The Texas Administrative Code (19 TAC), Chapter 9, Subchapter H, *Partnerships between Secondary Schools and Texas Public Two-Year Colleges* establishes authority and rules for two-year associate-degree-granting institutions to enter into agreements with secondary schools to offer courses that grant credit toward the student's high school curriculum requirements and college-level credit. 19 TAC § 9.143 requires dual credit programs to comply with the rules set forth in 19 TAC, Chapter 4, Subchapter D, Rule§4.84 for dual credit partnerships between secondary schools and Texas public colleges to offer dual credit to qualified students.

## **Compliance and Policies**

#### a. Services for Students with Disabilities

In order for students with disabilities to receive accommodations from ACC, students with disabilities who require accommodations must self-disclose to ACC's Student Accessibility Services (SAS) and provide current (within three years of enrollment at ACC) documentation of a disability. Documentation of a disability consists of a statement or evaluation from a recognized medical professional, or the student's current §504 plan or records maintained by the CHARTER SCHOOL relating to eligibility for special education accommodations that exceed those applicable to ACC, if any, shall be the responsibility of CHARTER SCHOOL. Building and information technology access will be the responsibility of whichever Party is the owner/provider of that infrastructure, including access to web- based curriculum materials.

### b. Student Expectations, Rights and Responsibilities

Students in dual credit classes are considered to be College students and are subject to all College policies and procedures. Dual credit students must comply with standards of conduct required of all ACC students, and have the same rights and responsibilities in all matters related to the dual credit programs. Dual credit students must also follow the CHARTER SCHOOL Student Code of Conduct.

Unless a conflict arises between the obligations of CHARTER SCHOOL and ACC under their respective policies and procedures, the CHARTER SCHOOL and ACC staff and administrators will work together collaboratively to determine the appropriate party to initiate an investigation or resolution process in response to the alleged conduct violation(s). In the event a conflict arises, refer to Section 4 on Conflict Resolution.

Neither party is prohibited from utilizing its own complaint resolution process, separate and apart from the other party's process, but both parties shall cooperate with each other to provide the necessary information and access to students and employees necessary to fulfill each party's obligations under its own specific policies and procedures.

The CHARTER SCHOOL and ACC agree to inform the other as soon as reasonably possible (within at least two business days) if a dual credit student is subject to disciplinary action that may affect his or her enrollment status as a dual credit student.

Regardless of the location of the conduct, if the CHARTER SCHOOL's Code of Conduct and disciplinary processes could result in removal from the regular education program due to a suspension, placement in an disciplinary alternative education program, or expulsion/removal to a Juvenile Justice Alternative Education Program, the CHARTER SCHOOL shall notify ACC prior to the finalization of any disciplinary action in response to the alleged student behavior so that ACC may determine if there are any potential consequences under applicable College policies or procedures that could result in removal from enrollment in a dual credit class.

In addition, as per the ACC Student Standards of Conduct, ACC has the right to immediately remove any student from its premises via the interim suspension process, upon a determination by the administrator in charge that the student poses an immediate threat to the safety of ACC's enrolled students, clients, faculty, staff, and patrons or to the orderly functioning of the ACC.

## c. Prohibition of Discrimination and Harassment

ACC has in place policies and procedures to receive, investigate, and resolve student and employee complaints alleging civil rights violations, including claims under Title VI and Title IX. The CHARTER SCHOOL and ACC shall each comply with its own policies and any applicable state and federal law that prohibit discrimination and harassment on the basis of a student or employee's disability, race, color, national origin, religion, or sex. Each party shall adhere to its obligations under relevant policy and law without regard to the other party's obligations.

The CHARTER SCHOOL agrees to report to the College's District Title IX/ADA/Title VI Coordinator, within 2 business days, any allegation of discrimination or harassment involving a College employee or dual credit student, regardless of where the alleged conduct occurred. The College has designated the following individual as its District Title IX/ADA/Title VI Coordinator:

Title VI, IX and ADA Coordinator 512-223-7964, <u>compliance@austincc.edu</u>

## **Conflict Resolution**

The Parties agree to a mutual understanding to resolve issues that may arise in the course of this partnership. In the event a conflict or disagreement should arise in the interpretation or implementation of the obligations, terms, and responsibilities of the Parties to this agreement, each Party shall designate administrative liaisons for purposes of resolving concerns at both the campus (liaison must be Principal or other designated campus administrator) and central administrative levels. In order to be collaborative, ACC must be able to communicate with administrators on campuses in which dual credit students/programs are present. If resolution is not found through those levels, a request may be made that the matter be handled through the Party's respective legal counsel.

## **Term and Termination**

Except as otherwise specified in the individual program agreements in the appendices, the period of this Agreement shall be in effect from September 1, 2022 to August 31, 2025 unless renewed or earlier terminated. This Agreement shall be reviewed by the parties annually at least ninety (90) calendar days before the expiration of the term and any subsequent renewal terms, and this Agreement may be renewed upon approval of the College and the CHARTER SCHOOL.

Either Party may terminate this Agreement with or without cause upon written notice to the other Party sixty (60) calendar days prior to the date of termination. In the event there are less than 60 calendar days remaining in the semester, unless otherwise agreed by the parties, the date of termination shall be the last day of the current semester or year of the current term so that students enrolled in a dual credit program may complete the session in which the termination becomes effective.

## **General Obligations of the Parties**

In furtherance of the objectives of this Agreement, the Parties agree to the following obligations<sup>2</sup>:

- a. ACC and CHARTER SCHOOL are equal parties to this Agreement, and the intent is to allow flexible and creative responses to the organizational, mission, and fiscal needs of both institutions.
- b. CHARTER SCHOOL campus-level administrators should be familiar with the obligations and responsibilities provided in this Agreement.

# Joining the ACC Faculty

# ACC's Commitment to High School Faculty

ACC appreciates the efforts of our CHARTER SCHOOL and high school associates. We look forward to partnering with them to improve education in central Texas. To that end, we've committed to the following series of steps to facilitate the interview process for high school instructors who wish to teach dual credit with ACC:

- ACC will provide a checklist/document (contained below) that CHARTER SCHOOLs give interested HS faculty members BEFORE they apply to ACC that clearly explains job expectations and responsibilities and prepares faculty for interviews/teaching demonstrations.
- The CHARTER SCHOOL will provide ACC with a roster of faculty interested in adjunct faculty assignments to teach dual credit courses. The roster should include candidates' unofficial transcripts as well as resumes of work experience.
- ACC departments will conduct an initial review to determine whether the HS faculty member meet SACS standards, and if not, explain what specific next steps the faculty applicant could take.
- For those HS faculty found to be SACS qualified, they would complete an official ACC application as an adjunct faculty member.
- Within 60 days of application submission, the appropriate department will schedule an interview and teaching demonstration for the applicant and notify them of acceptance or non-acceptance. If the latter decision is made, an explanation will be offered with suggestions for next steps.
- Once accepted for hire, the HS faculty member will complete a half day training made up of two sections: (1) a general introduction to community colleges and specifically to ACC, and (2) an orientation and introduction to the specific requirements of the academic department in which the HS faculty member would teach.
- HS faculty who teach dual credit courses for ACC will be compensated with a \$500 stipend per course when taught as a part of their school district teaching load.

## Interviewing

Each department determines its own interview format. Some will use a committee, some will interview oneon-one. Many will require a teaching demonstration. It would be prudent to learn about the departmental expectations for preferred teaching style before scheduling your interview. You may be able to schedule an observation of a current ACC faculty member's class; contact department chair if you are interested.

During the interview, be prepared to discuss:

- your perceptions of the differences between high school and college course instruction/expectations
- the best book you've read in your field in the last 6 months
- how you would handle being contacted by a parent about student work
- see additional possible questions on the HR website:

# Checklist for Prospective Dual Credit Instructors

High school faculty who are interested in teaching dual credit courses on their high school campus for Austin Community College need to be aware of expectations from both their high school and the community college. In some cases, the college rules will apply, in some cases, faculty will have to adhere to both the college and high school requirements.

#### Accreditation and Governing Bodies

ACC's policies are guided by the work of several groups. To help you understand some of the abbreviations in the checklist below, you may be interested in learning more about these groups.

ACC's accrediting body is SACSCOC (Southern Association of Colleges and Schools Commission on Colleges). ACC must adhere to the requirements set forth by this agency. You can learn more about SACSCOC, including its mission and values here: <u>http://www.sacscoc.org/</u>

THECB (Texas Higher Education Coordinating Board) guides the efforts of public colleges and universities in Texas. You can learn more about this organization here: <u>http://www.thecb.state.tx.us/</u>

ACC has a service area designated by the State Legislature consisting of most of six counties in Central Texas and 26 public school districts. Within the service area, ACC has a taxing district that is comprised of Austin, Round Rock, Leander, Hays, Elgin, Del Valle and Manor school districts as well as the parts of other districts that are in the City of Austin. Residents vote themselves into the taxing district. As tax-paying residents, students who attend ACC pay lower tuition and fees than residents from out-of-district areas. Tuition and fee rates, as all ACC policies, are approved by the elected ACC Board of Trustees.

# Coursework Expectations

# Course Content

High School	College*
Content is determined by the TEKS (Texas Essential Knowledge and Skills).	Content is guided by THECB and the ACC department guidelines.
	Focus is on meeting learning outcomes through content that is chosen by the faculty member and approved by the department. The faculty member has high levels of control of the specific content that is covered.
	ACC supports the idea that across every level of education, expectations for student learning should increase. As such, courses taught at the College level should require students to meet even higher standards than those same courses taught in high school. See comparative expectations for various educational levels from the Degree Qualifications Profile (DQP) here: <u>http://www.degreeprofile.org/press_four/wp- content/uploads/2014/09/DQP-grid-download.pdf</u>

## Academic Freedom

High School	College*
Standards and expectations are guided by the TEKS. Faculty must meet all standards.	Standards are part of accreditation, but so is a high degree of academic freedom.
Freedom is in how you teach content.	There is more flexibility in what content is taught, and how it is taught in covering department and college- approved learning outcomes.

# Grading Policies

High School	College*
Determined by campus and/or CHARTER SCHOOL policies.	Guided by departmental requirements. Some departments have explicit requirements, others provide more flexibility in grading to the instructor.
Policies may require reteach and retest.	Faculty may choose to, but are not required to allow multiple attempts on assignments or exams.
Consequences for attendance are determined by State law and district policies.	Consequences for attendance and adherence to course deadlines are determined by the instructor.

Learning Outcomes and Competencies

High School	College*
Must meet TEKS guidelines.	Must meet SACSCOC guidelines, THECB core curriculum requirements, ACC general education competencies, course SLOs (student learning outcomes), and PSLOs
Additional outcomes can be required by campus and/or district.	(program-level student learning outcomes).
See details here: <u>http://tea.texas.gov/curriculum/teks/</u>	See more information here:
see details here. <u>http://tea.texas.gov/curriculum/texs/</u>	http://www.austincc.edu/offices/academic-outcomes- assessment/general-education-and-core-
	<u>curriculum/assessments</u>
	http://www.thecb.state.tx.us/AAR/UndergraduateEd/W orkforceEd/acgm.htm
	Assessment of student achievement of learning
	outcomes at ACC is done through the framework of the Discipline Assessment Cycle (DAC). Every department
	develops its own assessment plan, which is communicated to faculty teaching courses in that
	discipline. Additional general information about the DAC can be found at:
	http://www.austincc.edu/offices/academic-outcomes- assessment/discipline-assessment-cycle

# Regulations of Privacy

High School	College*	
Follow FERPA - parents and guardians have access to student information.	Follow FERPA - only student has access to information, regardless of their age. Students may choose to fill out paperwork to allow parents to have access.	
	See further information here: http://www.austincc.edu/ferpa	

# Disability Services

High School	College*
Follow ARD paperwork or 504 plan. All accommodations and modifications must be provided.	In the college setting, course and curriculum modifications are not required for students with disabilities. However, <u>accommodations</u> will be approved by college Student Accessibility Services (SAS) office on a course by course, case by case basis. Approved accommodations must be implemented by faculty.
	Students must provide a Notice of Approved

Accommodations signed by an SAS Coordinator to faculty <u>before</u> any accommodations can be provided. <u>Accommodations may not be provided before faculty</u> <u>receive a Notice of Approved Accommodations.</u> The provision of accommodations is not retroactive.
Learn more here: <u>http://www.austincc.edu/support-</u> and-services/services-for-students/student- accessibility-services-and-assistive-technology

# Classroom Details

Syllabus

High School	College*
Syllabus requirements are guided by district and/or campus procedures. Students may or may not be given a syllabus for each class.	All faculty are required to provide a syllabus on the first day of class, and to post the syllabus online (see details about online submission below under Administrative Requirements / Other Requirements - lighthouse).
	There are specific requirements for syllabus content guided by departments.
	Master syllabi for courses are available online: <u>http://www.austincc.edu/offices/academic-outcomes-</u> assessment/master-syllabi/master-syllabi-repository

# Contact Hour Requirements

High School	College*
None for faculty.	SACSCOC and THECB have strict requirements for instructional time per course. Courses are scheduled to fulfil these requirements, so ACC does not allow faculty to end class early, or cancel class.

# Calendar

High School	College*
Calendar is more flexible to account for student schedules and school activities.	Due to contact hour requirements, there is very little flexibility in the calendar.
	You may need to work with your CHARTER SCHOOL to adjust class meeting days to maintain required contact hours as necessary.
	The ACC calendar, including withdrawal deadlines and other important dates can be found here: <u>http://www.austincc.edu/calendars/important-dates-and-deadlines</u>

# Administrative Requirements

## **Evaluation Process**

High School	College*
School district evaluation policies will be followed.	Evaluated by Department. Faculty must complete portfolios each year, and input forms each semester (FIF). Each department will share their process with faculty.
	Student evaluations must be completed every semester.
	See evaluation details here: http://www.austincc.edu/hr/eval/faculty.php

## Attendance Certification

High School	College*			
Daily attendance is required and must be posted for all courses.	Faculty are not required to take daily attendance, however course attendance certification is required by census date. See details here: <u>http://www.austincc.edu/facstaff/attendance-</u> <u>certification-questions-and-answers</u>			

## Grade Submission

High School	College*
Guided by district policy in HS only classes.	Grades are submitted online ( <u>http://www.austincc.edu/online-services</u> ) and deadlines are specified each semester by the academic calendar.

# Required Training

High School*	College*
Many required trainings, guided by district and/or campus.	ADA and Sexual Harassment annually. Dual Credit Adjunct Training inclusive of Departmental Training as required (four hours in total); all new faculty must be assigned a mentor.

## Professional Development

High School*	College*
District and SBEC rules apply.	ACC requires 12 clock hours for Full-Time faculty and 4 clock hours for Adjunct faculty each fiscal year. Selections must be approved by your department chair.

## Departmental Meetings

High School*	College*
Mandatory as determined by campus procedures.	Departments determine meeting frequency. New high school adjuncts are expected to attend at least one generally at the beginning of the Fall or Spring semester.

# Other Requirements

High School	College*
Varies by District.	Syllabus, Curriculum Vita (Resume), and office hours must be posted on lighthouse. ( <u>http://www5.austincc.edu/lighthouse/</u> ) ACCmail (email) is the primary form of communication between the college and faculty members as well as between students and faculty members. All faculty are expected to access their ACCmail regularly. ( <u>http://www.austincc.edu/accmail</u> )

# How ACC will support you in your teaching

# ACCeID

All online resources at ACC are accessed through a secure system. You will need a login and password known as the ACCeID. (<u>http://www.austincc.edu/acceid</u>)

# Online Learning Management System

High School	College*		
Determined by campus and or district.	Blackboard is the LMS. Training is available online		
	through Instructional Resources and Technology:		
	http://irt.austincc.edu/blackboard/		

#### Contact person

Support for Students and Faculty

ACC provides many services to support students. Faculty should be aware of these, to ensure that students are given the assistance they need. Learn more about ACC support services here: <a href="http://www.austincc.edu/support-and-services">http://www.austincc.edu/support-and-services</a>

Students and faculty can both benefit from ACC Library Services. Learn more about resources here: <u>http://library.austincc.edu/</u>

ACC also has employee associations to support faculty. If you are selected as an adjunct, you may wish to consider taking an active role in the Adjunct Faculty Association: <u>http://sites.austincc.edu/afa/</u>

The Texas Community College Teachers Association is an organization devoted to all community college teachers. Here, you can learn about teacher's issues and get legal support. <u>http://www.tccta.org/</u>

#### Additional Resources

This checklist is just the beginning. There is more to learn about becoming a part of the ACC faculty. We encourage you to explore more by reviewing the ACC Faculty Handbook here: <u>http://www.austincc.edu/offices/human-resources/faculty-handbook</u>

- 6) Official college transcripts of instructors must be kept on file at the College.
- 7) All availability of courses structured under Dual Credit are contingent upon the availability of ACC faculty. Students may need to take classes on an ACC campus to continue with a sequence.

#### COURSE CURRICULUM, INSTRUCTION, AND GRADING

- 1) The curriculum for any course offered by ACC for dual credit shall be the regular college curriculum.
- 2) Instruction of college courses that may be used for dual credit shall be held to the same departmental and curricular standards as all other courses in that discipline.
- 3) The same standards of grading shall apply for all courses taught by ACC, regardless of whether the course is delivered on an ACC campus or high school campus.
- 4) To the extent possible, ACC will ensure use of the same textbook for the same course taught within a two-year cycle starting Fall 2022.

## ACADEMIC POLICIES AND STUDENT SUPPORT SERVICES

Regular academic policies applicable to courses taught at one of the college's campuses also apply to dual credit courses taught at a High School or ACC campus. Students in dual credit courses are eligible to utilize the same or comparable College support services as all other College students.

## TRANSCRIPTING OF CREDIT

High School and College credits will be transcribed immediately upon a student's completion of course(s) each semester.

CHARTER SCHOOL will provide ACC with final transcripts for dual credit students that plan to attend ACC post high school graduation.

## FUNDING

The state funding for dual credit courses will be available to both public school districts and colleges based on the current funding rules of the State Board of Education (TEC 42.005(g)) and the Board (TEC 61.059(p) and (q)). The College may claim funding for all students getting college credit in core curriculum, foreign language, or career and technical education courses.

## **TUITION AND FEES WAIVER**

Austin Community College will waive tuition and fees for up to 12 eligible classes. Out-of-district students will be charged a \$150 per-course fee for courses taken at any ACC Campus, Center, or via distance learning for up to 12 eligible classes. Out-of-district students will not be charged the per-course fee if they take classes scheduled at their high school campus or demonstrate financial need through documented eligibility for free lunch or family eligibility for public assistance. Documentation must be submitted each school year for eligibility.

The dual credit tuition and fees waiver will only be applied to college credit courses that are a part of the ACC Core Curriculum or a workforce course included in a certificate or associate of applied science degree and foreign language courses. All remaining ACC courses will be assessed regular tuition and fees according to a student's residency.

Course withdrawals and dropped courses will be counted against the 12-course waiver limit after the second class day of each session. The student will be charged full tuition and fees based on residency for courses taken above the 12-course waiver limit and non-eligible courses.

The dual credit tuition and fees waiver is subject to change without notice by the ACC Board of Trustees.

### Purpose

ACC and CHARTER SCHOOL enter into the following program agreement for the implementation of an Early College High School, as designated by the Texas Education Agency under the authority of the Texas Education Code 29.908(b) and Texas Administrative Code 102.1091.

The purpose of this agreement is to provide an opportunity for students, especially those who are at risk of dropping out of school, who wish to accelerate completion of the high school, or who are in the first generation of their family to attend college, to earn a high school diploma and up to 60 hours of college credit and/or an Associate's Degree upon graduation from high school.

The Parties to this agreement desire to collaborate in the operation of an Early College High School (ECHS) program to prepare students for successful college and career transitions through the integration of high school, college, and career services with a commitment to collaboration in planning, implementation, and continuous improvement.

The services provided by this partnership are pursuant to the authorities of:

- (a) Texas Education Code 29.908(b) which allows for the creation of Early College Educational Programs through an articulation agreement between Independent School Districts and Institutions of Higher Education for the purpose of providing high school students the opportunity to earn up to 60 hours of college credit and/or an Associate's Degree; and
- (b) Texas Administrative Code 102.1091 which allows for the implementation of Early College Educational Programs as Early College High Schools, through an application process that includes approval and oversight by the Texas Education Agency (TEA);
- (c) Having been approved by the TEA to create an ECHS partnership, the Parties enter into this agreement.

By this agreement, the Parties agree to the following:
