a) **Executive Reports:**

i) Christa Cunningham- President

- Removed center access (key code numbers and fobs) for all members who are not board members. People were still coming into the center, that shouldn’t be in there.
ii) Jesse Doggendorf- Vice President
   - We only have two sponsors (WashU- 3200, Vivant Health 6k) who have signed contracts this year so far. We have collected from our vendors ~$50,000. There is a box that must be checked when applying to participate in our festival stating there will be no refunds. We will credit them towards the new festival date this year.

iii) Brandon Reid- Secretary
   - No report

iv) Jason Johnson- Treasurer
   - Current amount in the operations account $9848.11. $10 in Center.
   - There is an Economic Injury Disaster Loan that not for profits can apply for, but if we don’t get it, it makes us eligible for a $10,000 grant. When Jason started the application it wanted someone who is the “owner” of the organization and wanted their personal information, so the application was put on hold to determine the next steps. Jason and Morgan will continue to work on this application and report back.
   - Jason sent in an extension request just in case, for our taxes. Plans on filing on time.

b) Board Director Reports:
   i) Todd Alan | Director of Sponsorship
      - Very few conversations with sponsors as of late.
      - Todd is concerned that sponsors might not be giving much so it puts festival at risk.

ii) Jordan Braxton | Director of Public Relations
    - No report

iii) Morgan Morris | Director of Board Development
    - We need to determine what we are going to do about elections. We cannot keep with our traditional timeline due to the city being shutdown. There were a few suggestions on how we can manage this, but the more ideal option is that we amend the bylaws to give us the ability to move elections. Currently it is cut and dry we must have elections at a certain time, no exceptions. Morgan sent over suggested bylaw amendment wording to the executive committee.
      i. Proposed Language for bylaw section 3.4: "Board member elections shall take place during the last board meeting each fiscal year unless there are extenuating circumstances. The board will determine a new election date within the calendar year and will adhere to the term limit ending at the normal cycle that will end of the fiscal year of August 31."
