GIG HARBOR
 Open Studio Tour

Since 1993, the “G.H.O.S.T.” has given people an opportunity to meet local artists in their studios, to learn what inspires them and how they use their materials and tools to create objects of beauty, whimsy and utility.

This year, 23 professional artists in Gig Harbor, Fox Island and South Kitsap welcome visitors to their studios to admire and acquire fine and functional works of art.

Please join us!
