  40. **Social media and violence prevention** Angela Townsend
  41. **Student rape myth beliefs and bystander behaviors** Casey Boland, MA; Co-Author: Jessica Miller, PsyD
  42. **Hispanic outreach program esperanza (HOPE): an evidence-based trauma-focused program for Hispanics in South Carolina** Katherine Satizabal-Parra Teefey, MA; Co-Authors: Martha Gomez, LMSW; Virginia Green; Rosaura Orengo-Aguayo, PhD; Alyssa Rheingold; Michael de Arellano
  43. **Posttraumatic growth in women survivors of intimate partner violence. Specialized complex help as a catalyst for growth** Zuzana Vasiliauskaite
  44. **The effectiveness of trauma-informed care training for healthcare providers responding to childhood adversity: a systematic review** Hsin-Yi Chang; Co-Authors: Yi-Ting Chang, MS; Jui-Ying Feng, DNS
  45. **The information needs of child abuse professionals** David King, MS, PhD; Co-Author: Muriel Wells, MLIS
  46. **Linking systems of care for children and youth – lessons learned from a statewide demonstration project** Eryn Branch, MA
  47. **Effective interdisciplinary response to children exposed to domestic violence** Kelly Jarvis, PhD; Det. William Hernandez; Co-Author: Charlene Zil, MPA
  48. **CARE head injury rack card: developed for advocates serving domestic violence survivors with application in criminal justice and health settings** Julianna Nemeth, PhD, MA; Rachel Ramirez MA, MSW, LISW-S
  49. **Adoption and addiction: a guide to understanding and treating this population** Brett Furst, MA, PsyD
  50. **BDSM practice and abuse: intersections and distinct features** Anne Willis, PsyD; Molly Young, MA
  51. **Relative effects of physical assault history and maladaptive personality traits on physical aggression in college students** Kayleigh Watters; Co-Authors: Amber Stewart; Hans Schroder, PhD; Sindes Dawood; Matthew Yalch, PhD
  52. **The role of rejection sensitivity in intimate partner violence** Elizabeth Inman; Co-Author: Bonita London PhD
  53. **Developing informed healing for survivors of sexual assault with the social ecological model** Morgan Klinkowski; Co-Author: Alicia Miller
  54. **A review of the protective factors in the prevention of IPV in LGBT couples** Gregory Canillas, PhD; Karla Rodriguez, MA; Natalie Rios, MA; Co-Authors: Melissa Duncan, MA; Courtney Crisp, MA, Thomas Goldberg; Andrew Villamil, MA
  55. **This is not what I swiped right for: the prevalence of dating-app and other technology-facilitated sexual harassment, assault, dating violence, and stalking behavior in a college sample** Jessica Peatee, MA; Co-Authors: Nora Uhrich; Alexandra Buscaglia, MA; Alison Pepper, PhD
  56. **Stress in violent relationships: a socio-contextual perspective**

- Jacqueline Perez; Julia Hammett; Co-Authors: Benjamin Karney, PhD; Thomas Bradbury, PhD
57. **Social problems as a mediator of number of placements on adolescent risky behavior among youth adopted from foster care**  
Regina Brodell; Co-Authors: Jose Guzman; Audra Langley, PhD; Jill Waterman, PhD
58. **Transactional sex, alcohol use and experiences of intimate partner violence among women in rural Uganda: findings from the rakai community cohort study**  
Amanda Miller, MS; Co-Authors: Robert Bulamba Malyaabe; Gertrude Nakigozi, MPH, PhD; Grace Kigozi, MPH; Robert Ssekubugu, MSPH; Stephen Mugamba; Gertrude Nakigozi; Godfrey Kigozi; George William Ddaaki; Fred Nalugoda, MHSc, PhD
59. **Drivers and risk factors of intimate partner violence (IPV) perpetration and victimization in a Uganda based urban community cohort study.**  
Amanda Miller, MS; Co-Authors: Robert Bulamba; Stephen Mugamba; Gertrude Nakigozi, MPH, PhD
60. **Demographic and trauma contributors to the relationship between emotional intelligence facets and aggression expression with early-onset, persistent delinquent adolescent boys and girls.**  
Gabriel Le Espiritu; Jae Park; Co-Author: Amy Lansing, PhD
61. **Predictors and gender comparison of intimate partner violence among incarcerated youth**  
Jae Park; Gabriel Le Espiritu, Ruiyu Yang; Co-Author: Amy Lansing, PhD
62. **Sexual minority status, adversity, and resilience in incarcerated adolescent girls**  
Ruiyu Yang; Jae Park; Co-Author: Amy Lansing, PhD
63. **Patterns and predictors of revictimization in incarcerated girls**  
Alison Salter; Co-Author: Amy Lansing, PhD
64. **Increasing visibility and raising voices through UC Speaks Up – UCSD undergraduate and graduate students suggest improvements in addressing sexual assault on campus**  
Brittanie Bloom, MS; Claire Amabile; Jennifer Wagman; Co-Authors: Pieter Baker, MPH; Araz Majnoonian; Christine Wenzel; Nina Suh-Toma; David Ahmadian
65. **“Turmoil, alone, somewhere in Isla Vista”: how sexual violence prevention methods can be improved at the University of California, Santa Barbara by focusing on party culture and alcohol-based interventions**  
Claire Amabile; Brittanie Bloom, MS; Stephanie Sumstine, MPH
66. **Assessing the climate for campus sexual violence prevention at University of California, Los Angeles (UCLA)**  
Stephanie Sumstine, MPH, Jennifer Wagman; Claire Amabile; Co-Authors: Dallas Swendeman, MPH, PhD; Nadeeka Karunaratne, MA; Ally Power; Elaine Chan; Atreyi Mitra; Aaliyah Sade Murphy
67. **Reform of prior bad acts admissibility in child sexual abuse cases**  
Christina Thomas
68. **Your reality is not yours: an examination of gaslighting in close relationships**  
Jennifer Samp, PhD
69. **Assessing perpetrator responses to confrontation: development of the DARVO-SF scale**  
Melissa Barnes, MS; Co-Authors: Kathryn Mills, PhD; Sarah Harsey, MA; Jennifer Freyd, PhD
70. **Does exposure to brief college sports videos influence rape myth acceptance ratings?**  
Alexis Adams-Clark, MA; Co-Authors: Marina Rosenthal, PhD; Jennifer Freyd, PhD
71. **Policing through the pain: How unaddressed and untreated trauma impacts officers' propensity for violence against the community and themselves**  
Jessica Dockstader, MA
72. **Providing mental health treatment to families living in the United States with histories of immigration trauma**  
Sara Sherman, PsyD; Co-Author: Irina Zamora, PsyD
73. **Using a mobile app to enhance trauma-informed foster parent training**  
Alexandra D. Sullivan; Co-Authors: Nicole Bresland, PhD; Jessica Strolin-Goltzman, PhD, LMSW; Jennifer Jorgenson, MSW, LICSW
74. **Do genital names contribute to late sexual abuse disclosures in children**  
Gina D'Aquila, MFS
75. **Life stress transcendence as a tool for negotiating masculine gender role stress**  
Brandy Rogers, MS; Tarja Raag, Co-Authors: PhD; Marty Burgess; Grace Wang
76. **Adverse childhood experiences and trauma in females who misuse substances and their children: a case-control study in West Virginia**  
Brittany Smith; Co-Authors: Michael Brumage, MD, MPH; Keith Zullig, MSPH
77. **Overcoming denial: engaging the oppression of behavioral health takes hold**  
Andrew Phelps, PhD
