Volunteer Information & Application Packet

20th Hawai‘i International Summit
Preventing, Assessing & Treating Trauma Across the Lifespan
Prevention, Resilience, Connections, & Wellness

April 24 – 28, 2023

Our mission is to improve the quality of life for individuals on local, national and international levels by sharing and disseminating vital information, improving collaborations and networking, conducting research and trainings, assisting with direct professional services, program evaluation, and consulting to promote violence-free living.
Summit Overview

This Summit presents the latest research, prevention, assessment and intervention techniques concerning various aspects of child, adolescent and adult trauma and maltreatment, and the long-term effects if they go untreated. Plenary and Breakout Sessions discuss the types of child, adolescent and adult trauma, the dynamics of maltreatment and trauma at home or in the community, and the effects on children, adolescents and adults psychologically, behaviorally and neurodevelopmentally. Nationally and internationally recognized presenters and local practitioners come together virtually to discuss the latest research, assessment methods, interventions and prevention strategies for children, adolescents and adults who have been traumatized, abused and/or victimized. Application of current research information and providing people with practical techniques are areas of emphasis throughout this Summit.

Dear Valued Volunteer,

The following packet provides a brief overview of proceedings for the upcoming Institute on Violence, Abuse and Trauma (IVAT) 20th Hawai‘i International Summit from April 24 – 28, 2023.

Volunteer Description

IVAT is looking for volunteers who are comfortable in a fast-paced setting and willing to assist in a variety of Summit activities. Tasks may include registering participants for the Summit or for continuing education credits, putting together registration packets, setting up and helping with the selling of books, monitoring sessions, and general tasks.

Volunteers must commit to a minimum of five (5) hours of service. For every five (5) hours of volunteering, one day of the Summit registration is waived, free of charge.

Registration Desk

Plan to volunteer your full schedule to support the registration desk. If you are scheduled for a 5-hour block, we ask that you forego attending any sessions during that block. If you are volunteering for a full-day block, we ask that you let us know early in the day if there is a session or two that you wish to attend to prepare accordingly.
