Volunteer Information & Application Packet

21st Hawai‘i International Summit
Preventing, Assessing & Treating Trauma Across the Lifespan

Cultivating Healing and Nurturing Connections
Caring for the Earth and Personal Wellness

April 7 – 11, 2024

Our mission is to improve the quality of life for individuals on local, national, and international levels by sharing and disseminating vital information, improving collaborations and networking, conducting research and trainings, assisting with direct professional services, program evaluation, and consulting to promote violence-free living.
Summit Overview
This Summit presents the latest research, prevention, assessment, and intervention techniques concerning various aspects of child, adolescent and adult trauma and maltreatment, and the long-term effects if they go untreated. Plenary and Breakout Sessions discuss the types of childhood, adolescent and adult trauma, the dynamics of maltreatment and trauma at home or in the community, and the effects on children, adolescents, and adults psychologically, behaviorally, and neurodevelopmentally. Nationally and internationally recognized presenters and local practitioners come together virtually to discuss the latest research, assessment methods, interventions and prevention strategies for children, adolescents and adults who have been traumatized, abused and/or victimized. Application of current research information and providing people with practical techniques are areas of emphasis throughout this Summit.

Aloha Volunteer ‘Ohana,
The Volunteer Packet provides a brief overview of proceedings for the upcoming Institute on Violence, Abuse and Trauma (IVAT) 21st Hawai‘i International Summit from April 7 – 11, 2024 at the Hawai‘i Convention Center.
