

La Cucina Ristorante Easton is the culmination of many years of hard-work, passion, and experience by its owners Mark and Cynthia Cilfone. Mark and Cynthia first met in Jupiter, Florida working at the renowned Italian restaurant La Caravella. Mark as a chef, and Cynthia as a bartender. The two started working in restaurants from very young ages and ever since had dreamed of owning their own restaurant. When Mark and Cynthia met they discussed this shared dream and hoped to one day make it a reality.

Mark and Cynthia eventually moved to Falmouth, Massachusetts to be closer to family and had three children Winslow, Carmen, and Sofia. After working various restaurant jobs in the area for years the couple finally found the perfect spot for their dream and opened La Cucina Sul Mare on May 6, 2002. Sofia, who was just 7 months old when La Cucina Sul Mare opened its doors is now a senior in high school and works as a hostess during the weekends and in the summer.

After seventeen years, one expansion, and hundreds of thousands of smiling faces served we decided as a family that it was time to expand once again, this time to Easton, Massachusetts. The location is a natural one as both Winslow and Carmen spent four years studying at Stonehill College and falling in love with the Stonehill and Easton communities. In fact, I remember walking by this very building which was still under construction during Carmen's senior year and marveling at its beauty. At the time it was only a dream that our family would get to open our own restaurant here, but now that dream has become a reality.

La Cucina is situated at 140 Main Street, nestled in the heart of the Easton village. We are a family run restaurant with a dedication to delicious food, excellent service, and an intimate atmosphere. Our family would like to thank you for enjoying our restaurant and truly making it a dream come true.

So, from our family to yours, Mangia!
