

THE BROWNING SCHOOL
1888

Information about Transportation and DOE & Downtown Bus Stops

Transportation FAQs:

Does Browning offer door-to-door transportation?

Unfortunately no, bus stops will never be more than 5 blocks away as per DOE regulations.

What happens on days when my child has after school activities?

Reach out to your son's teacher and Ms. Rodriguez as to when your son will not ride the bus back home.

Are there students from other schools on the DOE bus?

Because this is a free option from the Department of Education, we do not have control over that. We have been fortunate enough to only have Browning boys thus far.

Who supervises the students when they board the bus at dismissal?

The DOE does not supply a matron on the bus, Ms. Rodriguez boards the boys and makes sure they are buckled for safety. She also gives a daily roster to the bus driver of who is on their bus that day and their stop.

How does the DOE calendar affect Browning students?

On days that the DOE has off, we will not have service. In the beginning of the year, bus parents will be given a yearly calendar of days buses will not be in service.
