KCAHE Donates to Local Charities

KCAHE will be making year-end donations to three local charitable organizations this year. Thanks to the generous support of our membership and event sponsors throughout the year, KCAHE is able to provide financial support to individuals in our community.

KCAHE will be donating to KVC Health Systems located in Olathe, KS. KVC Kansas helps over 12,000 Kansas children and their families each year through prevention services (family preservation), foster care case management, family reunification services, adoption, outpatient behavioral health and more.

An additional donation will be made to the Boys & Girls Clubs of Greater Kansas City. The Boys & Girls Clubs of Greater Kansas City provide a fun, safe environment for kids to learn, play, grow and meet new friends. Every day the Clubs provide quality programs to thousands of area kids who may otherwise lack the resources for such opportunities.

KCAHE will also donate to Giving the Basics serving the Kansas City area. Giving the Basics provides the necessities of life, not covered by government assistance programs, that most people take for granted such as laundry soap, shampoo, deodorant, toilet paper and other personal care hygiene products. Giving the Basics efficiently tracks the need for products and distributes them to more than 65 pantry locations and 186 schools in 14+ school districts, making the basics accessible to 220,000 people monthly.

Thank you again to all who supported KCAHE programming in 2018.

KCAHE Year-end Wrap-up

Thanks to all of our members, sponsors and friends for another successful year at KCAHE!

We had many successful events and educational opportunities for our membership again this year.

This year’s event calendar kicked off with our Poker Tournament. Thanks again to BHC Rhodes for hosting! Everyone had a great time and we were able to raise money towards our scholarship fund.

KCAHE provided multiple educational seminars to members this year including ASHE based courses on health facilities commissioning and the CHFM Exam Review course. We also worked with Johnson County Community College to provide training on working as a high performance team. Look for even more educational offerings in 2019!

The KCAHE Annual Conference found a new home at Arrowhead Stadium this year. The event was well attended and featured dynamic speakers including KC Wolf.

We look forward to providing even more benefits and resources to our members in 2019!

Topics/Ideas for 2019 Calendar

Do you have an idea for a topic/presentation for one of KCAHE’s monthly luncheons? Would you like to submit a presentation?

If so, please submit your topic ideas or presentation outlines to Tracy Johnson, Executive Director, via email at director@kcahe.org.

Presentations will be reviewed by the KCAHE Board of Directors and chosen topics will be placed on the monthly meeting calendar for 2019.

Please make sure that your presentation addresses a specific topic that would be of interest to our members and is not product-specific or marketing based.
