KCAHE Golf Outing

Mark your calendars for KCAHE's Annual Golf Outing. This year’s event will be held on August 10 at St. Andrew's Golf Course.

Sponsorship opportunities available this year include a margarita tent, John Daly tent and early morning Bloody Mary sponsorship. In addition, there are hole sponsorships which include discounts on additional golfers.

Watch the KCAHE web site for registration information coming soon.

REMEMBER TO REGISTER EARLY! SPACE IS LIMITED!

Annual Conference Update

This year's KCAHE Annual Conference will be held at Arrowhead Stadium on October 4. The committee is excited to provide an educational and entertaining event at this new venue.

Additional information on sponsorships, vendor booths and educational sessions will be coming soon!

**CHFM Exam Review Course**

KCAHE will offer the Certified Healthcare Facility Manager (CHFM) Exam Review Course on October 3 at Shawnee Mission Medical Center. Registration will be available later this summer on [www.kcahe.org](http://www.kcahe.org).

Designed to give you an edge in preparation for the Certified Healthcare Facility Manager (CHFM) exam, this course will help you gain confidence in the five key competency areas of the CHFM test.

**Please note: The workshop fee does not include the CHFM exam fee, nor does it register you for the exam. Participation in this program does not guarantee a passing score on the exam.**

**May meeting in Topeka**

KCAHE members traveled to Topeka to Stormont Vail Hospital for the May membership meeting/education session and golf at Firekeeper Golf Course.

Members attended an education session on Key Control and Access Controlling followed by a fun day of golf.

Thank you to Stormont Vail for hosting this event!

**Royals Social Event**

KCAHE will once again have a social event at a Kansas City Royals game. This year’s event will be on July 23 when the Royals take on the Detroit Tigers.

Current KCAHE members can purchase a ticket to attend the game and the pre-game tailgate hosted by the KCAHE Board. Tickets are priced at $75 and seats are located in the Miller Lite Foutain Bar deck. The ticket price includes unlimited food and (non-alcoholic) drinks and the pre-game tailgate (drinks only). Members can purchase one additional ticket for a guest.
KCAHE Provides Scholarships to students at Missouri State and Metropolitan Community College

This year, KCAHE was able to provide scholarships to students attending Missouri State University and Metropolitan Community College (MCC). KCAHE provided two scholarships to Missouri State students and one to a student attending MCC.

Shane Bramble was the scholarship recipient from MCC. Shane is a Tradesman with U.S. Engineering at the Kansas City National Security Campus, where he and his team monitor and log all Central Utility Plant equipment and systems as well as perform preventative tasks on HVAC equipment facility wide.

In the past Shane has worked for Kansas City property management companies such as Maxus properties and Dalmark group. In addition, Shane was employed at the Hotel Phillips downtown and Stoney Creek Hotel and Conference Center in Independence. During this time Shane was able to earn his Universal EPA certification and NSPF operator certification among other distinctions in the field and is now enrolled at the MCC Business and Technology campus working towards an AAS in Stationary Engineering.

Megan O’Leary is one of the scholarship recipients from Missouri State University. Megan grew up in one of several small residential towns surrounding Pleasant Hope, MO. In high school, Megan was involved in student council and Special Olympics Missouri (SOMO). For the first year and a half of attending Missouri State University, Megan studied nursing and pre-physical therapy. The next semester, she started taking classes in Construction Management, and fell in love with the program. Megan loved working with the different computer programs used by construction professionals. Megan is currently studying facility planning with a focus in mechanical and electrical systems.

Luke Tackes, scholarship recipient from Missouri State University, is a senior studying Construction Management. Luke is from St. Louis, MO and is currently interning with Murphy Company Mechanical Contractors and Engineers. Luke is enjoying his studies in the Construction Management department at Missouri State and looks forward to finishing his degree and starting his career in the industry.
