We seek to bring together and direct philanthropic assets to make southwest Alabama a better place.

**01. INVESTING**
Maximizing charitable donations to fund work in our community today while growing resources for tomorrow.

**02. CONNECTING**
Matching donors with other organizations and engaging the community in conversations with leaders to expand ideas.

**03. LEADING**
Initiating and improving efforts to strengthen our community through grants that address issues pertinent to our region.

**04. INSPIRING**
Creating educational opportunities through scholarships, which enable individuals to be productive members of our community.
The National Standards for U.S. Community Foundations Accreditation Program represents a community foundation’s commitment to going above and beyond federal and state requirements to demonstrate accountability and excellence to communities, policymakers and the public.

The Accreditation Seal is only awarded to those community foundations that continue to meet comprehensive standards. Those receiving the Accreditation Seal have demonstrated their commitment to the success and well-being of every cause and person they support and are willing and able to stand by every grant they have made. The Accreditation Seal signals to donors and to their professional advisers that a community foundation is a sound place to give and make a difference.
We offer a unique model of philanthropy which maximizes the charitable impact of individuals, families, corporations, communities and nonprofit organizations.

Here are flexible options and other services available through the Community Foundation of South Alabama.

**DONOR ADVISED/BUSINESS ADVISED FUNDS**

are established by individuals, families and companies who wish to participate actively in the grant making process. A donor advised fund allows the donor to recommend grants to their favorite charitable organization(s). These funds operate much like a private foundation but without the expense and tax-reporting requirements. When a company creates a business advised fund, we support their goals through a full spectrum of services, including grant making, due diligence, site visits and community updates.

**DESIGNATED FUNDS**

allow the donor to support the good work of a specific nonprofit organization. We handle the details of managing the fund, allowing the staff of the nonprofit organization to stay focused on its mission.

**UNDESIGNATED FUNDS**

are established when donors give to the foundation and entrust us to use the funds in ways that strengthen our local community. Funds are distributed for charitable purposes at our discretion, giving us the flexibility to respond quickly to the greatest needs and shifting priorities of our community.

**SCHOLARSHIP FUNDS**

can be structured to benefit students at any education level or institution. A scholarship fund can also be created to honor a loved one. Donors may recommend an academic focus for their scholarship fund and eligibility criteria.

**AGENCY FUNDS**

are established by nonprofit organizations to provide an annual source of income to support their mission and meet both current and future needs. They look to our Board of Directors for strong investment oversight and ask our staff to manage all of the administrative details, allowing the nonprofit to focus on what it does best in the community.

**FIELD OF INTEREST FUNDS**

are established to support particular interest areas, specific program initiatives, causes or geographic areas designated by the donor. We select the grantee through our due diligence, application and thorough review process.

**A SUPPORTING ORGANIZATION**

is an alternative to a private foundation and far less restrictive. Supporting organizations do not have a mandatory distribution and generally do not incur excise tax. We handle all of the administrative oversight, including the annual audits, as well as state and IRS filings.

**AN AFFILIATE FOUNDATION**

is created by a local group of citizens interested in supporting a specific geographic area. These citizens serve as an advisory committee to us, a structure which allows for a local presence supported by all the benefits of the Community Foundation.
