Are you experiencing homelessness? Start with Coordinated Entry.

Coordinated Entry (CE) is the starting point to help individuals and families experiencing homelessness in the Kansas City area access community resources.

Visit the access site for you!

**Assessments are offered on a first come, first served basis.**

Where do I start?
First, we work to understand your current housing situation. Access sites above will be able to help you determine which resources you are eligible for and may work best for you.

What happens next?
Based on your discussion, the access site staff will help connect you with community resources and/or make a referral for housing based on resource availability. Please note that this is not a guarantee of housing assistance, nor is it program enrollment.

Please see reverse for more community resources.

For more information about Coordinated Entry, go to www.gkccceh.org or call the GKCCEH at 816-924-7997.
