

Cohort First Summer Homework Assignment

Document your Milli-fluidics and Micro-fluidics experience
(Use notebooks in the lab and take pictures/short clips).

Divide into **3 teams**.

Working in teams, prepare a **15 minute power point presentation** (1 PPT per team). Be ready to present (**3-5 min each team member**) at our first weekly meeting. (PPTs due by noon June 8th – Upload PPT to meeting room PC).

Prizes!

- Best Group Presentation
- Best Individual Presenter

Attendees will fill out assessment during presentations – Results and prizes will be announced at the 2nd weekly meeting (June 15th).
