## PREFACE

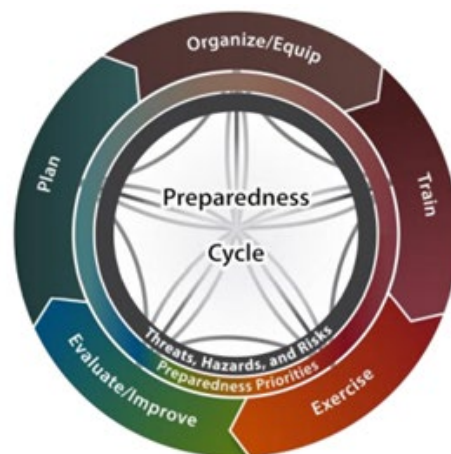

The Vermont Healthcare Emergency Preparedness Coalition (VHEPC) will utilize a Multi-Year Integrated Preparedness Plan (IPP) to prioritize and improve our integrated preparedness program to meet the healthcare preparedness and response goals and objectives that align with the Office of the Assistant Secretary of Preparedness and Response (ASPR). The five mission areas of prevention, protection, mitigation, response, and recovery will help VHEPC to work towards the National Preparedness Goal by validating coalition-level plans in conjunction with other state, local, and internal and external stakeholders.

VHEPC has adopted the Homeland Security Exercise and Evaluation Program (HSEEP) for standard exercise implementation and evaluation. Exercises should be designed so that each one increases in complexity and scope from previous exercises, based on the HSEEP progressive approach. Use of the progressive approach ensures a successful progression in exercise complexity and allows for the appropriate training and preparation to occur prior to participation in exercises.

The years covered under this IPP include July 1, 2021– June 30, 2024. It is the role of the VHEPC Readiness and Response Coordinator, with guidance from the Vermont Department of Health, to administer the IPP. Members and partners of the VHEPC will participate in the training and exercise program.

**All currently scheduled trainings and exercises identified in this plan will be housed on the coalition website calendar, <https://www.vhepccoalition.org/calendar>. We recommend bookmarking and checking the website often to see current training and exercise information/registration details.**

**Figure 1. HSEEP Integrated Preparedness Cycle**

## POINTS OF CONTACT (POCs)

### **State Administrative Agent:**

Sarah Perry, MPH  
Hospital Preparedness Program Coordinator  
Division of Emergency Preparedness, Response and Injury Prevention  
Vermont Department of Health  
108 Cherry Street  
Burlington, VT 05401  
802-951-5821 (office)  
802-495-1002 (cell)  
[Sarah.Perry@vermont.gov](mailto:Sarah.Perry@vermont.gov)

### **Planning, Training and Exercise POC:**

Jennifer Bynum, MPH, MEP, CHES  
Readiness and Response Coordinator  
Vermont Healthcare Emergency Preparedness Coalition  
108 Cherry Street  
Burlington, VT 05401  
336-802-1800 (office)  
919-717-3355 (cell)  
[vhepc@allclearmg.com](mailto:vhepc@allclearmg.com)

## MISSION

The Vermont Healthcare Emergency Preparedness Coalition is a multi-disciplinary partnership that collaborates with its members, stakeholders, and surrounding communities to improve and expand emergency preparedness, response, and recovery capabilities.

## PURPOSE

The purpose of the VHEPC's Multi-Year Integrated Preparedness Plan (IPP) is to document the coalition's overall planning, training, and exercise program priorities for July 2021-June 2024. This plan is a living document that will be updated and refined annually. The plan is subject to change based on a variety of factors, including but not limited to: real world events, funding, and grant guidance. These priorities are linked to corresponding Hospital Preparedness Program (HPP) capabilities, and, if applicable, a rationale based on existing strategic guidance, threat assessments, corrective actions from previous exercises, or other factors. This IPP identifies the planning, training and exercises that will assist VHEPC in building and sustaining the healthcare preparedness and response capabilities needed to address its training and exercise program priorities.

This IPP identifies a combination of progressively building exercises – along with the associated training requirements – which address the priorities identified by VHEPC Coalition Members and partners. A progressive, multi-year exercise program will enable the VHEPC to participate in a series of increasingly complex exercises, with each successive exercise building upon the previous one until mastery is achieved. Further, by including training requirements in the planning process, the VHEPC can address known shortfalls prior to exercising capabilities.

Where possible and appropriate, the VHEPC will partner with state and local agencies to leverage training and exercise opportunities in an effort to reduce duplication of efforts.

This IPP includes an integrated preparedness schedule, which outlines the proposed planning, training and exercise activities scheduled for July 1, 2021, through June 30, 2024. *It is important to note that due to Vermont's COVID-19 response efforts, VHEPC did not conduct a separate IPPW; VHEPC participated in the State of Vermont's IPPW in July 2021.*

## PROGRAM PRIORITIES

The [2017-2022 Healthcare Preparedness and Response Capabilities](#) document outlines the high-level objectives that the nation's healthcare delivery system, including healthcare coalitions (HCCs) and individual healthcare organizations, should undertake to prepare for, respond to, and recover from emergencies.

The following is a description of the four HPP capabilities, including a brief description of the importance of that capability to the VHEPC.

### VHEPC Preparedness Capabilities:

#### 1. Capability 1: Foundation for Healthcare & Medical Readiness

- The community's health care organizations and other stakeholders—coordinated through a sustainable HCC—have strong relationships, identify hazards and risks, and prioritize and address gaps through planning, training, exercising, and managing resources.

#### 2. Capability 2: Healthcare & Medical Response Coordination

- Health care organizations, the VHEPC, and the Vermont Department of Health (ESF-8 lead agency) plan and collaborate to share and analyze information, manage and share resources, and coordinate strategies to deliver medical care to all populations during emergencies and planned events.

#### 3. Capability 3: Continuity of Healthcare Service Delivery

- Health care organizations, with support from the VHEPC and the Vermont Department of Health, provide uninterrupted, optimal medical care to all populations in the face of damaged or disabled health care infrastructure. Health care workers are well-trained, well-educated, and well-equipped to care for patients during emergencies. Simultaneous response and recovery result in a return to normal or, ideally, improved operations.

#### 4. Capability 4: Medical Surge

- Health care organizations—including hospitals, emergency medical services (EMS), and out-of-hospital providers—deliver timely and efficient care to their patients even when the demand for health care services exceeds available supply. The VHEPC, in collaboration with the Vermont Department of Health, coordinates information and available resources for its members to maintain conventional surge response.

In an effort to leverage training and exercise efforts around the state, the VHEPC will align the trainings and exercise identified in the multi-year schedule with Core Capabilities, Public Health Emergency Preparedness (PHEP), and Hospital Preparedness Program (HPP) Capabilities. Any VHEPC-sponsored trainings and exercises will ensure that capabilities are identified for HPP, PHEP and Core Capabilities, utilizing the following capabilities crosswalk.

## VHEPC STRATEGIC TRAINING AND EXERCISE GOALS

### Training Goals

- Develop and provide Coalition Emergency Operations Plan and Annex Training
- Coordinate training at the coalition-level that aligns with identified coalition hazards/gaps and workplan activities.
- Coordinate routine training on existing technology/communications platforms

### Exercise Goals

- Drill existing communications/technology platforms
- Validate coalition response plan/annexes annually through tabletop exercises
- Build on the Coalition Surge Test (updated in 2021 by ASPR to be titled the Medical Response and Surge Exercise) to validate medical surge capabilities

The VHEPC will align training and exercises with the ASPR focus areas (i.e., pediatrics, burn, infectious disease, radiation, and chemical).

### VHEPC Training and Exercise Priorities

- Priority 1: Community Resilience
- Priority 2: Incident Management
- Priority 3: Information Management
- Priority 4: Surge Management

In the corresponding [multi-year integrated preparedness schedule](#), capabilities and program priorities are identified for each respective training and exercise.

## VHEPC Top Hazards

We will align our training and exercises with identified VHEPC top 10 Hazards. For historical context, we are providing top hazards from the previous grant year as well as FY 2021-2022.

### 2020-2021 VHEPC Top Hazards

1. Workplace Violence
2. Active Threat
3. Cyber Attack
4. Surge of Mental Health or Forensic Admissions
5. Information Systems Failure
6. Severe Winter Storm
7. Mass Casualty Incidents
8. Flood in Community
9. Temperature Extremes
10. Pandemic Flu

### 2021-2022 VHEPC Top Hazards

1. Epidemic/Pandemic
2. Cyber Attack
3. Severe Winter Weather
4. Communications/Information Technology Failure
5. Supply Shortage
6. Electrical Failure
7. Mass Casualty Incidents
8. Water Supply Shortage
9. Workplace Violence
10. Severe Hail/Thunderstorm

## Methodology and Tracking

Trainings and exercises were identified based on the gaps identified during the annual Coalition Hazard and Vulnerability Assessment Workshop. VHEPC utilizes the progressive approach and incorporates appropriate trainings throughout the process.

The Readiness and Response Coordinator for VHEPC serves as the Point of Contact for coalition-sponsored trainings and exercises and is required to provide a quarterly training and exercise progress report as well as a corrective action progress report to Vermont Department of Health.

**All currently scheduled trainings and exercises will be housed on the coalition website calendar, <https://www.vhepcoalition.org/calendar>. We recommend bookmarking and checking the website often to see current training and exercise information/registration details.**

## PLAN MAINTENANCE

In order to provide an effective training and exercise program, the VHEPC IPP will be updated annually by:

- Performing and/or participating in Integrated Preparedness Planning Workshops and/or Work Group meetings.
- Reviewing assessments, including the Coalition Hazard Vulnerability Analysis (HVA), VDH's Joint Risk Assessment (JRA), stakeholder Threat and Hazard Identification Risk Assessment (THIRA)/Stakeholder Preparedness Review (SPR) and After-Action Reports/Improvement Plans (AARIP).
- Reviewing input from partners, state leadership and policy group officials.
- Review federal documents such as the National Preparedness Report, Notice of Funding Opportunities, and information bulletins.

The VHEPC has an active Integrated Preparedness Planning Work Group that convenes monthly and is responsible for annual revisions to this plan.

**Table 1. 2021-2022 VHEPC Integrated Preparedness Planning Work Group Members**

<b>Name</b>	<b>Agency</b>	<b>VHEPC Role</b>
Julie Benedict	Vermont Department of Health, Training and Exercise Coordinator	Member - Public Health
Jennifer Bynum	Vermont Healthcare Emergency Preparedness Coalition	Readiness and Response Coordinator; planning, training, exercise POC
Kelly Colling	Copley Hospital	Member - Hospital
Brad Ellis	Vernon Homes	Member- Long-Term Care
Anthony Ercole	VA Medical Center	Member-Hospital
Alissa Fontaine	Northeastern Vermont Regional Hospital/ VT EMS District XX	Member-Hospital
Eric Forand	Vermont Emergency Management, Exercise Coordinator	Member- Emergency Management
Jason Gosselin	Agency of Human Services	Partner
Michael Leyden	Porter Medical Center	Member Porter Medical Center
Lucy Lieberman	Vermont Department of Health	Member-Public Health
Diana Myrvang	Vermont Department of Health	Member-Public Health
David Nelson, MD	University of Vermont Medical Center	Member Hospital Coalition Clinical Advisor
Sarah Perry	Vermont Department of Health	Member- Public Health HPP Coordinator
Derek Pitts	Vermont Department of Health	Member- Public Health MRC Coordinator

<b>Name</b>	<b>Agency</b>	<b>VHEPC Role</b>
Heather Rigney	Vermont Department of Health	Member-Public Health
Ginny Schwartzer	Vermont Healthcare Emergency Preparedness Coalition	Fiscal Manager
Hillarie Scott	Vermont Emergency Management, Training Coordinator	Member- Emergency Management
Jonathon Scott	Central Vermont Medical Center	Member-Hospital
Ryan Sexton, MD	Northeastern Vermont Regional Hospital	Member-Hospital Coalition Clinical Advisor
Beth Winter	Rutland Regional Medical Center	Member-Hospital

## MULTI-YEAR INTEGRATED PREPAREDNESS SCHEDULE

The attached planning, training and exercise schedule depicts the scheduled events that will take place or be offered from July 2021 to June 2024 for the VHEPC members, stakeholders and partners.

**This schedule is a living document; all dates are tentative and subject to change. The most current trainings and exercises will always be publicly available on the VHEPC [website calendar](#).**

The attached planning, training and exercise schedule will delineate between coalition-sponsored events and partner-sponsored events. Coalition-sponsored events indicate planning, training and exercises that are designed and funded by VHEPC. Partner-sponsored events indicate training and exercise that are designed and funded by external partners. Partner-sponsored events are included in the coalition IPP for situational awareness so that members may attend as applicable and appropriate.

To register for any Vermont Emergency Management training, you must have a registered account with the Vermont Learning Management System:

<https://vermont.csod.com/client/vermont/default.aspx>

If you have any questions about the status of any Vermont Emergency Management (VEM)-sponsored trainings and exercises listed within the plan, please contact:

- Exercises: State Exercise Administrator, Eric Forand, [Eric.Forand@vermont.gov](mailto:Eric.Forand@vermont.gov), 802-585-0633
- Trainings: State Training Administrator, Hillarie Scott, [Hillarie.Scott@vermont.gov](mailto:Hillarie.Scott@vermont.gov), 802-241-5414

If you have any questions about the status of Vermont Department of Health (VDH)-sponsored trainings and exercises listed within this plan, please contact:

- Julie Benedict, Exercise and Training Administrator, [Julie.Benedict@vermont.gov](mailto:Julie.Benedict@vermont.gov), 802-863-7263

Planning revisions, trainings and exercises are subject to change based on a variety of factors, including but not limited to: real world events, funding, and grant guidance. The VHEPC IPP will be routinely updated as changes are made. *It is highly encouraged to bookmark the [VHEPC Website Calendar](#), as the most current training and exercise dates and registrations will be provided there. The intent of this schedule is to provide a multi-year framework for the Coalition's planning, training, and exercising.*

TBD July 2022	Quarter 1 VHEPC Redundant Communications Drill	Virtual Drill	Virtual	VHEPC	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination
TBD Aug 2022	Hazard Vulnerability Assessment Workshop	In-Person Workshop	TBD	VHEPC	Priority 1: Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
TBD Aug 2022	VHEPC Governance Revision	Planning	Virtual	VHEPC	Priority 1: Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
8/23/2022-8/24/2022	K0419- Shelter Field Guide Training for State and Local Communities	Virtual Training	Virtual	VEM	Priority 2: Incident Management	Capability 2: Healthcare & Medical Response Coordination

<b>Date</b>	<b>Training Title</b>	<b>Type</b>	<b>Location</b>	<b>Sponsor</b>	<b>Program Priority</b>	<b>HPP Capability</b>
TBD Sep 2022	Quarter 2 VHEPC Redundant Communications Drill	Virtual Drill	Virtual	VHEPC	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination
TBD Sep 2022	Chemical, Burn, Radiological, Nuclear, Explosive (CBRNE) Training	Virtual Training	Virtual	TBD	Priority 2: Incident Management Priority 3: Information Management Priority 4: Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
9/27/2022-9/28/2022	K0419- Shelter Field Guide Training for State and Local Communities	Virtual Training	Virtual	VEM	Priority 2: Incident Management	Capability 2: Healthcare & Medical Response Coordination
TBD Oct 2022	Integrated Preparedness Planning Workshop (formerly known as the training and exercise planning workshop)	In-Person Workshop	TBD	VHEPC	Priority 1: Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
TBD Nov 2022	VHEPC Continuity of Operations Plan Training	Virtual Training	VHEPC	VHEPC	Priority 1: Community Resilience Priority 2: Incident Management	Capability 1: Foundation for Healthcare and Medical Readiness Capability 2: Healthcare & Medical Response Coordination
TBD Nov 2022	Quarter 2 VHEPC Redundant Communications Drill	Virtual Drill	Virtual	VHEPC	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination

<b>Date</b>	<b>Training Title</b>	<b>Type</b>	<b>Location</b>	<b>Sponsor</b>	<b>Program Priority</b>	<b>HPP Capability</b>
TBD Nov 2022	Multi-Agency CMS Community Based Exercise	Virtual Tabletop	Virtual	VHEPC	Priority 2: Incident Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
TBD Nov 2022	HAM Radio Operator Technician Course (License Exam Prep)	In-Person Training	TBD	Mitch Stern	Priority 3: Information Management Priority 4: Surge Management	Capability 2: Healthcare & Medical Response Coordination  Capability 3: Continuity of Healthcare Service Delivery
TBD Dec 2022	VHEPC Medical Response and Surge Exercise (formerly known as Coalition Surge Test)	Virtual Functional Exercise	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management Priority 4: Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
TBD Dec 2022	Mental Health/Psychological First Aid (TBD)	Virtual Training	Virtual	VHEPC	Priority 1:Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
December 2022 TBD	VHEPC Emergency Preparedness and Operations Plan - Coordination among state partners	Virtual Training	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management	Capability 1: Foundation for Healthcare and Medical Readiness  Capability 2: Healthcare & Medical Response Coordination
TBD Dec 2022	VHEPC Preparedness Plan Revision Due	Planning	NA	VHEPC	Priority 1:Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
TBD Dec 2022	VHEPC Multi-Year Integrated Preparedness Plan Revision Due	Planning	NA	VHEPC	Priority 1:Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness

<b>Date</b>	<b>Training Title</b>	<b>Type</b>	<b>Location</b>	<b>Sponsor</b>	<b>Program Priority</b>	<b>HPP Capability</b>
-------------	-----------------------	-------------	-----------------	----------------	-------------------------	-----------------------

TBD January 2022	VHEPC Medical Response and Surge Exercise (formerly known as Coalition Surge Test)	Virtual Functional Exercise	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management Priority 4: Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
TBD Jan 2022	VHEPC Strategic Plan Due	Planning	Virtual	VHEPC	Priority 1:Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
TBD Jan 2022	VHEPC Burn Surge Plan- Draft	Virtual Training	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management Priority 4: Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
2/14/2022	Quarter 3 VHEPC Redundant Communications Drill	Virtual Drill	Virtual	VHEPC	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination
2/17/2022	VHEPC Burn Surge Tabletop Exercise	Virtual Tabletop	Virtual	VHEPC	Priority 2: Incident Management  Priority 3. Information Management  Priority 4. Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
TBD March 2022	Cybersecurity Training	Virtual Training	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery

April or May 2022 (Dates TBD)	Vermont Healthcare and EMS Preparedness Conference (Training)  EMResource (Training)  Supply Chain Assessment Summit/ Workshop  Pediatric Surge Exercise to test VHEPC annex	In-Person Training	TBD (either Mt. Snow or Burlington)	VT EMS VHEPC	Priority 1: Community Resilience Priority 2: Incident Management Priority 3: Information Management Priority 4: Surge Management	Capability 1: Foundation for Healthcare and Medical Readiness Capability 2: Healthcare and Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
5/12/2022	Quarter 4 VHEPC Redundant Communications Drill	Virtual Drill	Virtual	VHEPC	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination
TBD June 2022	VT Hospital Satellite Phone Drill	Virtual Drill	Virtual	Vermont Department of Health (VDH)	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination
TBD (conduct between Apr-Jun 2022)	Pediatric Disasters	Virtual Training	Virtual	TEEX	Priority 2: Incident Management Priority 4. Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
TBD (conduct between Apr-Jun 2022)	Vermont Crisis Standards of Care Exercise	In-Person Tabletop	TBD	VHEPC VDH	Priority 2: Incident Management Priority 3: Information Management Priority 4. Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge

TBD May 2022	VHEPC Emergency operations annex review trainings (pediatric & Infectious disease)	Virtual Training	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management	Capability 1: Foundation for Healthcare and Medical Readiness Capability 2: Healthcare & Medical Response Coordination
6/30/2022	VHEPC Continuity of Operations Plan Due	Planning	TBD	VHEPC	Priority 1: Community Resilience Priority 2: Incident Management	Capability 1: Foundation for Healthcare and Medical Readiness Capability 2: Healthcare & Medical Response Coordination
6/30/2022	VHEPC Emergency Operations Plan Revision Due (includes all specialty annexes)	Planning	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management Priority 4. Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
6/30/2022	VHEPC Burn Surge Specialty Annex Due-Final	Planning	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management Priority 4. Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
TBD July 2022	Quarter 1 VHEPC Redundant Communications Drill	Virtual Drill	Virtual	VHEPC	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination
TBD Aug 2022	Hazard Vulnerability Assessment Workshop	In-Person Workshop	TBD	VHEPC	Priority 1: Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
TBD Aug 2022	VHEPC Governance Revision	Planning	Virtual	VHEPC	Priority 1:Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
TBD Sep 2022	Quarter 2 VHEPC Redundant Communications Drill	Virtual Drill	Virtual	VHEPC	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination

TBD Sep 2022	Chemical, Burn, Radiological, Nuclear, Explosive (CBRNE) Training	Virtual Training	Virtual	TBD	Priority 2: Incident Management Priority 3: Information Management Priority 4. Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
Sep 2022 TBD	VT Hospital Satellite Phone Drill	Virtual Drill	Virtual	Vermont Department of Health	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination
TBD Oct 2022	Integrated Preparedness Planning Workshop (formerly known as the training and exercise planning workshop)	In-Person Workshop	TBD	VHEPC	Priority 1: Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
TBD Nov 2022	VHEPC Continuity of Operations Plan Training	Virtual Training	VHEPC	VHEPC	Priority 1: Community Resilience Priority 2: Incident Management	Capability 1: Foundation for Healthcare and Medical Readiness Capability 2: Healthcare & Medical Response Coordination
TBD Nov 2022	Quarter 2 VHEPC Redundant Communications Drill	Virtual Drill	Virtual	VHEPC	Priority 3: Information Management	Capability 2: Healthcare & Medical Response Coordination
TBD Nov 2022	Multi-Agency CMS Community Based Exercise	Virtual Tabletop	Virtual	VHEPC	Priority 2: Incident Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
TBD Nov 2022	HAM Radio Operator Technician Course (License Exam Prep)	In-Person Training	TBD	Mitch Stern	Priority 3: Information Management Priority 4. Surge Management	Capability 2: Healthcare & Medical Response Coordination  Capability 3: Continuity of Healthcare Service Delivery

TBD Dec 2022	VHEPC Medical Response and Surge Exercise (formerly known as Coalition Surge Test)	Virtual Functional Exercise	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management Priority 4: Surge Management	Capability 2: Healthcare & Medical Response Coordination Capability 3: Continuity of Healthcare Service Delivery Capability 4: Medical Surge
TBD Dec 2022	Mental Health/Psychological First Aid (TBD)	Virtual Training	Virtual	VHEPC	Priority 1:Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
December 2022 TBD	VHEPC Emergency Preparedness and Operations Plan - Coordination among state partners	Virtual Training	Virtual	VHEPC	Priority 2: Incident Management Priority 3: Information Management	Capability 1: Foundation for Healthcare and Medical Readiness Capability 2: Healthcare & Medical Response Coordination
TBD Dec 2022	VHEPC Preparedness Plan Revision Due	Planning	NA	VHEPC	Priority 1:Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
TBD Dec 2022	VHEPC Multi-Year Integrated Preparedness Plan Revision Due	Planning	NA	VHEPC	Priority 1:Community Resilience	Capability 1: Foundation for Healthcare and Medical Readiness
