Payment and refunds

If your camper is successfully enrolled, payment and paperwork are due by April 3.

MALT programs operate outdoors in all seasons. We may cancel a day of camp in cases of inclement weather (ex: thunderstorms, heavy rain, snow that makes it unsafe to travel).

We will do our best to give at least 24 hours' notice, but due to the unpredictable nature of the weather, notice may come as late as the morning of the program.

In case of weather-related cancellation, MALT does not refund program fees.

Contact Education Manager Simon Schreier at info@maltvt.org if you have any questions.
