### Purposeful Practice

**Read John 21:15-17.**

*This passage takes place after Peter denied knowing Jesus, and after Jesus was raised from the dead.*

**How many times did Jesus ask Peter if he loved Him?**

**How many times did Peter say he didn't know Jesus?** Look at Luke 22:54-62 if you don't remember.

Jesus forgave Peter and the Bible says He is willing to forgive us too! Even though we all make mistakes, Jesus loves us just like He loved Peter. This week when you make a mistake, practice talking to God about it. Confess your sin to Him, tell Him you are sorry and that you love Him. Remember to thank Him for His costly sacrifice.
