PATH Foundation ‘Try-A-Trail’ September Donor Challenge

**Background:** The Robert G. and Ellen S. Gutenstein Foundation generously offered to match every donation made to PATH’s annual fund from September 1-30, 2022, up to a total of $20,000.

**FAQ's:**

**What is the ‘Try-A-Trail’ September Donor Challenge?**

Elaine and Michael Gutenstein of the Gutenstein Foundation say their family is very grateful for the network of PATH trails and consider them essential to physical and mental well-being. To express their gratitude and support the Gutenstein Foundation will match all gifts to PATH’s annual fund in September up to $20,000 dollar for dollar. This means that your $100 gift becomes a $200 gift, $500 becomes $1,000 and so on. With your help, we can collectively raise $20,000 and earn a $20,000 match! September is the time rediscover PATH and ‘Try-A'Trail'!

your gift + their match = more trials, more green space, more wellbeing

**What are the donations used for?**

PATH uses donations strategically and efficiently: 93.8% of every dollar contributed funds trail design and building. Together, we can build more than just trails. We can develop linear greenways that provide opportunities for what the community needs, right now – a chance to breathe fresh air, visit neighbors safely and support our mental and physical health.

**Is PATH a non-profit?**

Yes! All donations to PATH are tax-deductible.
