This year, we’re going to try and help every single [SCHOOL SPECIFIC] student vote. Using the Campus Canvass strategy, we’ll use texting and social media to make contact with our peers. Whether on-campus or not, our sustained messaging will make it easier for students to register, understand ballot requirements, and actually vote. We need as many people to do this work as possible, so please read on for a description of the Organizer position.

You’ll be responsible for helping your peers.

RECRUIT
Before we help students vote, we need to recruit as many volunteers as possible. With targeted messaging to specific groups on campus, you’ll help with recruitment.

SUPPORT
Our voter outreach will be powered by the app OutVote. You’ll coordinate volunteers before and during three contact sessions.

EDUCATE
If students ask volunteers questions they don’t know the answer to, you’ll jump in and help out.

Here’s the timeline.

TRAINING
In early September, you’ll attend brief training sessions to prepare for your role...

STUDENT CONTACT

REGISTRATION (9/22)
Are students registered? Where? How do they plan on voting?

EARLY VOTING (10/19)
Confirm registration, make plan for voting early, help request ballots, and enable voter education.

ELECTION DAY PUSH (11/3)
Confirm final mail/early votes, make plan for those voting day of.

Because of YOU, your peers will be...

- **REGISTERED**
  As a volunteer, you’ll make sure that your peers are registered to vote, no matter where they are.

- **PREPARED**
  No one should risk their life to vote. Together, we’ll help our peers if they want to vote early or by mail, avoiding the potential hazards of long Election Day lines.

- **COUNTED**
  We’ll follow through until Election Day, encouraging everyone in our contact list to make their voices heard before the polls close on November 3rd.

Here’s your commitment.

**TRAINING**
In early September, you’ll attend a brief training session to prepare for your role...

**OUTREACH SESSIONS**
As a volunteer, you’ll take part in three outreach sessions of approximately two hours.
