From the President

According to recent news reports, a vaccine for the Covid-19 Virus may be available soon and we may be able to start having meetings shortly after. It will be a pleasure meeting with our fellow homeowners in person and discussing issues that affect our entire community.

We have just recently been informed you will start seeing lane closures on SW 60th Avenue between 89th Street and 86th Place as Marion County engineers have stated that the traffic light will be installed by January at 89th Street and SW 60th Avenue. Please keep in mind that this is temporary, until the County builds 90th Avenue and at that time the light will be moved to 90th Avenue.

We would like to remind everyone with pets, they are not allowed to run free. Please be aware that not only is there a good chance that Animal Control will be called and the owner may be fined, but your pet could be injured or killed by running into the road. Also, if you are walking your pet through the Majestic Oaks, please be courteous to your fellow homeowners by picking up after your pet and disposing of the waste properly.

A final reminder that Covenants are set to be enforced and we will be reviewing all violations with the Attorney for full enforcement.

We would like to wish everyone a safe and Happy Thanksgiving.

Bob Watson
President
