

Sellers Agreement

Thank you for bringing your items to Littlenecks!

Before we can help you reduce-reuse-recycle your kids' clothing and gear, please read our sellers agreement closely, and then sign and transmit this agreement back to us or print and bring it with you to your appointment. If you have any questions about this agreement, please email us at:

info@littleneckscapecod.com

Drop-off days: We accept drop offs during business hours (please check website for seasonal hours). If you are unable to drop off during those times, we kindly ask that you call or email to schedule a drop off appointment.

Drop-off quantity: Please bring one bin or tote basket per drop-off. We do not accept items in trash bags.

Drop-off quality: We accept baby and childrens clothing up to size 6 and shoes in the corresponding sizes. The clothing you sell needs to be from a smoke-free and mothball-free environment. All items need to be in good condition, laundered, dustless, spot-free and folded/packaged neatly and ready to go (button all buttons, snap all snaps) when given to us. We will carefully examine merchandise for tears and/or stains. We maintain high aesthetic and practical standards; therefore if an item does not meet our standards we reserve the right not to sell that item. If this is the case, we will notify you, and give you the option to take it back, or we will donate it for you and provide you a receipt for your personal tax purposes. We are not experts in the safety of apparel or gear, and we do not repair items, so please do not provide us with anything if you have any reason to believe that it could be unsafe for our customers. We do not accept toys or equipment.

Pricing method: Once items have been processed and accepted, sellers can choose to receive a check or can opt to receive 15% more in store credit. We do not itemize unless by special request up front.

Turnaround time: We will contact you within one week of your drop-off date. At this time we will issue you a check, store credit, and/or the opportunity to donate any unwanted goods to charity. We do not process on the spot.

Unselected items: You may opt to pick up your unselected items or to have us donate them for you. Your unselected items/bin will be donated if they have not been picked up within 1 week of notification. By dropping off your items, you agree to sell to Littlenecks according to our policies, and agree that your items are not listed for sale elsewhere. After processing is complete, should you change your mind and decide NOT to sell to Littlenecks, there will be a \$25 processing fee. Our best advice is to bring items that you would want to buy again for yourself if you saw them in our store.

I acknowledge that I have read, understood and agreed to Littleneck's buying process and policy.
