*We would like to hear from you about your vision of quality affordable housing for low-income residents in the County of Santa Clara and the City of San Jose.* The project will include housing units on the upper floors directly above “The HUB”. The Hub is a community center operated by the County, and it is dedicated to supporting current and former foster youth, ages 15-24, by providing a safe, welcoming center with a variety of services by their peers and other caring community members.
