The 32nd Annual St. Croix Valley Pottery Tour

Seven pottery studios will host **Sixty-nine potters** from **twenty states and one from England**. They will present thousands of pots for sale amid the hospitality of local potters in their rural studios.

This national invitational gathering of potters and sale of ceramics is an exciting destination for anyone who appreciates handmade pots and their makers.

We, the potters, are looking forward to the return of on-site, hands-on-pottery connections. We anticipate sharing in-person conversations and reactions to our newest work in clay.

Each studio/pottery is just a short drive from the others allowing some or all to be visited in a single day by following the distinctive yellow and red signs.

You will find more information and a directory of online sales shops at minnesotapottery.com.
