INTRODUCING

THE AXIS ON ORMSIDE

A brand-new central London destination for the music and content creation industries.

10 studios with soundproof room design by Gillieron Scott Acoustic Design, architectural design by alma-nac.

The Axis has been carefully crafted for its residents to create and collaborate in comfort.

A place to meet, work and succeed

We provide studios, meeting space and memberships for creators.

Whether you need to come along, create and go, or settle in somewhere to base your career from, we have a studio space and a package for you.

Visitor or a resident, for £15 per month you can become an Axis Member for savings on studios, software, equipment, repairs and more.

STUDIOS FOR CREATORS

Step into your own soundproof world.

You can come along with a laptop, create and go, or become a resident and settle in.

Either way, all of our studios come with award-winning acoustic design.

ACOUSTIC PERFORMANCE OF YOUR ROOM
