CHRISTMAS EVE

## FEAST OF THE SEVEN FISHES

We are happy to announce that we will be doing a Seven Fish dinner on Christmas Eve. The Feast of the Seven Fishes is part of the Italian-American Christmas Eve celebration. We hope that you will come and dine with us at the restaurant but understand some people might feel more comfortable at home which is why we are also offering this menu for pickup and delivery. All takeout orders will be pre-packaged meals with heating and serving instructions.

Please contact us for more information for our vegetarian offering.
