Quality Adult Day Programming: The Right Choice for You and Your Loved One

WISE Adult Day Service Center

The right choice for both a caregiver and loved one, our WISE Adult Day Service Center provides supportive, enjoyable and stimulating activities. Trained and caring staff provide services tailored to the needs of each participant.

The WISE Adult Day Service Center is located on the Motion Picture Television Fund (MPTF) Campus in a quiet space full of light and with accommodations tailored to the needs of older adults. Our Center is open from 8:00 am to 5:30 pm on Tuesdays and Thursdays (with more days coming soon). The extended hours allow caregivers the opportunity to work, tend to other tasks or take a much needed break, knowing that their loved one is enjoying the day in a safe, comfortable environment.

A lower cost option to in-home, assisted living or private caregiver services, we specialize in caring for older adults who are physically frail and those with early, moderate or advanced dementia, Parkinson’s disease or the residual of stroke.
