2018 in Review
Our Work
A look at what we've accomplished

- Mobile Hygiene
- Pop-Up Care Villages
- Replication
- coming home
In 2018,

we delivered showers and other critical services to 6,872 houseless neighbors across California and inspired 100+ organizations around the world to launch their own mobile hygiene programs modeled after ours.
Mobile Hygiene
Delivering dignity, one shower at a time.

5,611 guests showered
22,035 showers provided

San Francisco • Los Angeles • Oakland
Pop-Up Care Villages

Pop-Up Care Villages are invaluable one-stops for critical services. Built on three pillars of service—restoration, advancement, and community—they embody Lava Mae at its best.
Pop-Up Care Villages

Our reputation as a trusted service provider means guests are eager to use our partners' services such as medical, dental/vision care, legal assistance, and employment resources.

10 Pop-Up Care Villages

103 Partners activated

315 Volunteers

1,910 Guests served

San Francisco • Oakland
"A LOT OF PEOPLE EXPERIENCING HOMELESSNESS FEEL LIKE THEY HAVE NO SUPPORT AND NOTHING ON THEIR SIDE. AT LAVA MAE'S POP-UP CARE VILLAGES, YOU MAKE FRIENDS WITH THE PEOPLE WHO ARE HELPING YOU OUT. AND YOU REALIZE THERE'S A LOT OF PEOPLE WHO ARE FIGHTING FOR YOU AND THERE TO SUPPORT YOU. AND THAT MAKES ME FEEL REALLY GOOD. LIKE I CAN ACTUALLY MAKE IT OUT OF THIS SITUATION."

- ALBERT, PUCV GUEST
Intentionally designed to be as warm and welcoming as possible – with live music, art therapy, meditation, and festive visuals – PUCVs foster a true sense of community and ensure our guests feel cared for and seen.
"AS A HOMELESS MAN IT BROUGHT JOY TO MY HEART TO WORK ALONGSIDE MANY VOLUNTEERS FROM ALL WALKS OF LIFE WITH ONE COMMON GOAL: THAT ANYTHING IS POSSIBLE WHEN WE WORK AS A TEAM. I LEARNED THAT EVEN THOUGH WE MAY BE DIFFERENT IN SOME WAYS WE ALL NEED A HELPING HAND SOMETIMES, AND FOR THAT I THANK YOU."

– MARIO, LAVA MAE GUEST VOLUNTEER
Radical Hospitality™ is deeply rooted in all we do. Our research shows our guests feel healthier, more hopeful, and better able to navigate life on the streets and persevere in seeking their goals.
In response to thousands of requests for our mobile hygiene service, we launched our replication program to help communities everywhere create programs modeled after ours.
Replication

Lava Mae inspired or directly assisted 100+ new mobile hygiene programs around the globe.

Our mobile hygiene toolkit has been downloaded by 1500 people and organizations from 15 countries.

We launched our Center of Excellence in 2018 to train and support replicators.

We trained 12 individuals/organizations; two are slated to launch in Q1 2019.
"I DISCOVERED LAVA MAE WHILE SEARCHING FOR MOBILE SHOWERS FOR PEOPLE EXPERIENCING HOMELESSNESS. FINDING LAVA MAE WAS TRANSFORMATIVE BECAUSE I WOULDN'T HAVE TO REINVENT THE WHEEL.

THEIR TOOLKIT HAS HELPED ME TREMENDOUSLY AND GREATLY REDUCED MY START-UP TIME. I'M FOREVER GRATEFUL TO LAVA MAE FOR HELPING THOSE OF US WHO STRIVE TO RESTORE DIGNITY AND BRING HOPE TO THOSE WHO NEED IT MOST."

– FOUNDER, STREETSIDE SHOWERS
Our experience on the streets illuminated the need to create a bridge between the housed and unhoused. *coming home*, a curated augmented reality + audio art installation, was our response.
coming home
produced in partnership with ZERO1

18 stories across
8 SF neighborhoods

740
people experienced the pilot

220
people shared reflections
"I’M BROUGHT TO TEARS. THIS IS AN INCREDIBLE OPPORTUNITY TO HEAR STORIES THAT I WOULDN’T HAVE HEARD. THESE STORIES ARE PROFOUNDLY INTIMATE AND GIVE A WINDOW INTO PEOPLE’S EXPERIENCES THAT ARE FILLED WITH WISDOM. I COME AWAY WITH A DEEPER COMPASSION AND A RENEWED COMMITMENT TO MAKE MORE CONNECTIONS WITH MY HOUSELESS NEIGHBORS."

- INSTALLATION VISITOR
coming home

What we learned:
That providing a lens into the lives of our unhoused neighbors is vital to shattering stereotypes, seeding empathy and understanding how alike we all are.

What surprised us:
The demand. After its inaugural run at PROXY, coming home went to Minnesota Street Project and is slated for installation at SF UN Plaza in Spring 2019.
Thank You

Our donors, volunteers, and partners have made all of this possible. For this, we are infinitely grateful!
