

Q MEET OUR HEROS X

SHAHAR MILFELDER

Shahar was diagnosed with a rare type of cancer when she was 16. After her treatment in Israel, she had to relocate to NYC for a complex surgery.

This is a journey about bravery, strength and perseverance. Shahar went on to become an officer at the IDF and shares her story all over Israel hoping that if she did not give up, others won't either.

Shahar sums up what helped her to get through those months:

- 1) Never give up.
- 2) Always believe in yourself.
- 3) Think out of the box.
- 4) Having a supporting circle is vital. Without the incredible support of her family, she wouldn't have made it.
