THANK YOU
The Bach Festival Society would like to thank the individuals and community partners below who have generously made a pledge or contribution in support of dynamic artistic and educational programming and community engagement for the 2022–23 season.

2022–2023 SEASON DONORS
The Bach Festival Society of Winter Park is delighted to announce the Elizabeth and John Nagle Endowment for Bass Soloists in honor of bass-baritone Kevin Deas.

Long-time Bach Festival Choir members Beth and Jack Nagle understand the enormous contribution a world-class soloist brings to a choral work and have established an endowment to help ensure that the Bach Festival Society will always have the resources to engage the very best talent. Income from the endowment will be used for the financial support of bass soloists singing with the Bach Festival Society. The Nagles have chosen to name their endowment in honor of bass-baritone Kevin Deas, who is featured in this afternoon’s performance of Verdi’s Requiem.

“We have had the joy and privilege of singing with Kevin with the Bach Festival Choir and the Berkshire Choral Institute for over 25 years. We so admire his wonderful voice, hard work and kind heart, and are so pleased to honor and immortalize him through this gift!”
