TIME TRIALS: Each trial for all quarter horse nominated races shall consist of time trials, taking the fastest ten times, unless there are 2 days of trials-in which case the five fastest qualifiers from each day will participate in the finals. Time trials and finals shall be conducted on the specified dates or alternative dates in the event the races cannot be run on said date(s). Each trial shall consist of not more than ten (10) horses. AARD reserves the right to run trials over multiple days, designating equal numbers of qualifiers from each day to participate in the finals. The trials shall be raced under the same conditions as the final except for the invitational race for non-qualifiers having an also-eligible list and the final not having an also eligible list. AARD reserves the right to conduct the time trials on a non-race day.

AARD reserves the right to supplement trial purses using nomination funds. Times of all horses which finish the trial races will be determined by the photo finish system which determines the finish times for each horse. If a tie exists among two or more horses, a random draw will determine the qualifier(s). No adjustments will be made in recorded time of trials for head wind, tail wind, off track, or any other act of nature, etc. Should a malfunction occur with the photo finish system on any time trial, finalists from that time trial will then be determined by official hand times operated by three official and disinterested persons. The average of the three hand times will be utilized for the winning time, unless one of the hand times is clearly incorrect. In such cases, the average of the two accurate hand times will be utilized for the winning time; other horses shall be given times according to the order and margins of finish with the aid of the photo finish, if available.

Should a horse be disqualified, he will be given the time of the horse he is immediately placed behind plus 1/1000 of one second. If the front gates on the starting gate fail to open due to mechanical failure, or if a horse is left outside the gate when the field is dispatched during the running of the trials, such horse shall be declared a nonstarter and all nominating, sustaining and entry fees paid by the current owner shall be refunded. During the running of the final, such horse will be declared a nonstarter and shall be classified as a scratched horse and shall be paid last place purse money in said race. The decisions of the Stewards shall be final, and entries are accepted only on the condition that those persons nominating, and/or starting a horse in the trials and/or final, agree to abide by the decision of the stewards and/or the NMRC. All then current rules adopted by the NMRC supersede any condition of these races. AARD reserves the right to hold trials for this race on a non-race day.

AARD, subject to the approval of the NMRC, reserves the right to change the date of the running of the trials and final, or to transfer these races to any track within the State of New Mexico. AARD reserves the right to cancel these races, without notice, at any time prior to the actual running thereof, without liability, except for the return of the nominating and sustaining fees paid by owners for the then-eligible horses less the administrative fee.

ENTRIES: All qualifiers must pass the entry box. If a finals qualifier is ruled ineligible for any reason other than a positive test for illegal substances, resulting from post-race testing or out of competition testing, the owner will earn last place purse money. If more than one horse should be ruled ineligible as described above, or scratched from the final, then the purse monies to be otherwise paid shall be added together and divided equally among those scratched from the final. If a qualifier is ruled ineligible to compete due to a positive test for illegal substances prior to entry, that horse will not earn any purse money and the next eligible time trial qualifier from the same day of trials will be eligible to enter the final. If after entry into the final a horse(s) is/are ruled ineligible to start for any reason other than a positive test for an illegal substance, that/those horse(s) will be scratched from the race and earn last place money as described above. If after entry a horse is ruled ineligible to start due to a positive test for illegal substances, that horse will be scratched and will not earn any purse money.

Horses that compete in a time trial at Ruidoso and do not qualify for the finals are eligible to enter invitational races in which they are preferred in order of their trial time. There will be an also eligible list for invitational races. A scratched horse in these races will relinquish any claim to purse money or entry fee and the purse will be distributed proportionately to the official starters. There will be a \$500 entry fee and \$500 starter fee for all starters in the invitational race.

PURSE: The nomination fees, sustaining fees, less the administrative deduction, and earned interest thereon, plus added money will be distributed according to payout schedule for each race. Owner(s) must make all sustaining payments plus trial entry fee or applicable supplements to the Futurities to remain eligible for the associated Derbies and Oaks events the following year.

RAINBOW AND ALL AMERICAN OAKS: Eligible foals of 2022 which complete all payments to the 2024 Rainbow and All American Futurities will be eligible to nominate to the 2025 Rainbow and All American Derbies. Those Derbies will offer an additional race restricted to fillies called the "Oaks" to be run under the same conditions as the "open" race. The purses for the Oaks races shall be apportioned from each race purse account based on a pro rata share of fillies to colts/geldings entered for each race. At entry for the time trials, the trainer of record must designate whether a filly will race in the "open" Derby or the fillies-only Oaks race. Time trials will be conducted among each race division. There will be no stakes race conducted for "non-qualifiers" to the Oaks.

AARD reserves the right to amend these terms of participation and competition at its discretion and at any time within the parameters of the rules and regulations of the New Mexico Racing Commission.
