The northern trailhead for the North Omaha Trail (Phase 1) has a new mural by nationally renowned artist Reggie LeFlore! We cohosted a mural party July 11, 2021 with B&B Sports Academy to celebrate, officially making it the first community art project of the North Omaha Trail! If you are interested in being a part of future projects let us know!

Spark has also been awarded a Community Challenge grant from AARP to create a seed archive behind the Fabric Lab (2514 N. 24th Street) and create an interactive public space. With the help of habitat for humanity, Volunteers, and artists the construction of the seed archive is nearly complete! Learn more at the seeds are currency event on November 13th at 1pm.

THE FABRIC BAYS
Spark is in the process of renovating and filling the Fabric Bays, located on the NE corner of 24th and Lake Streets! Come check us and our neighbors – North End Teleservices, Stable Gray, and Style of Evolution, out! an additional commercial unit and three newly-renovated apartments geared towards artists and creatives will be available for rent in the fall of 2022. Stay tuned for a Call-For-Business later this year, we’d love to have your business join our family at Fabric!

THE FABRIC LAB
The fabric Lab is an urban design lab located at 2514 north 24th street. as an urban design lab the farbic lab is an innovative hub for urban planning, design, and architects both students, and professionals. Recently we facilitated public space project with Masters students from UNO’s urban studies program.

In addition, fabric lab and it’s anchor partner 4Urban host and provide space for townhalls, community meetings, events, and popups.

Fabric Lab is partnering with UNO Urban Studies program to develop curriculum that could be offered on North 24th Street.
