Corporate Support

The Fashion Scholarship Fund's Corporate Supporters play a critical role in helping to change students’ lives. The FSF not only provides scholarships, we offer life-changing opportunities to our Scholars and Alumni, working with companies which provide Summer Internships, full-time employment opportunities and Mentorships and Professional Development that directly impacts their careers. Our Corporate Supporters are leaders from diverse industry sectors who demonstrate their commitment to our mission by partnering with the FSF. Corporate support of the FSF is available at several levels:
