

My name is **Colin Lievens**

I'm **disabled** and **trans**

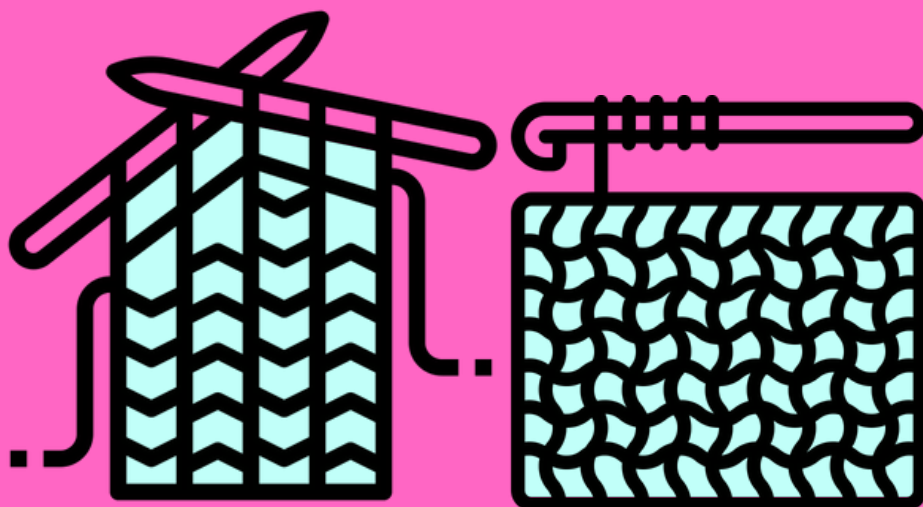

and I make **art** for **people like me**

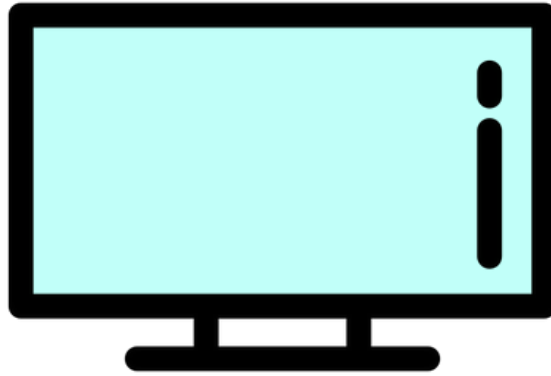

and to work out my **feelings**

I make things in lots of **different ways**,
like **writing**, **videos**, and **crochet**.

crochet is a bit like **knitting**,
but with a **special hook** rather than needles.

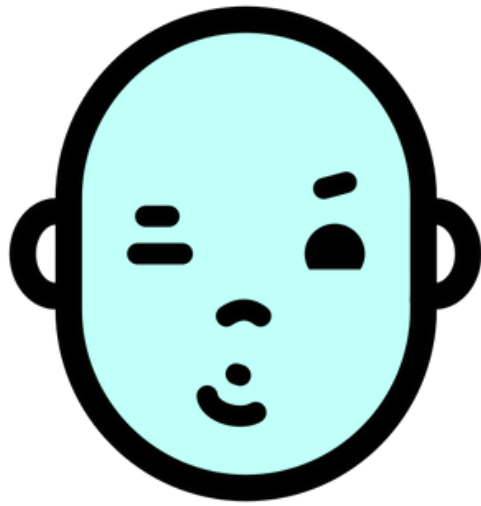

Lots of my art is about my **favourite tv shows**,
like **Emmerdale** and **Taskmaster**.

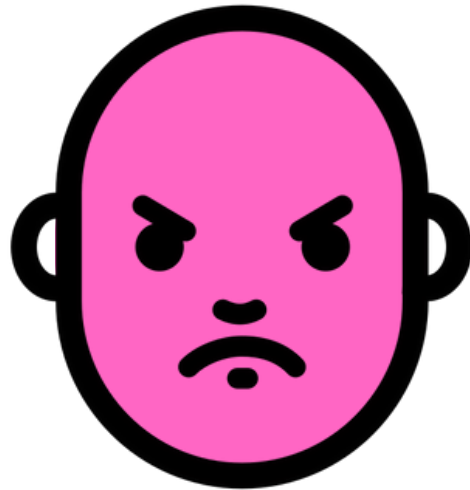

Emmerdale is a show about
a **village** in the north of England

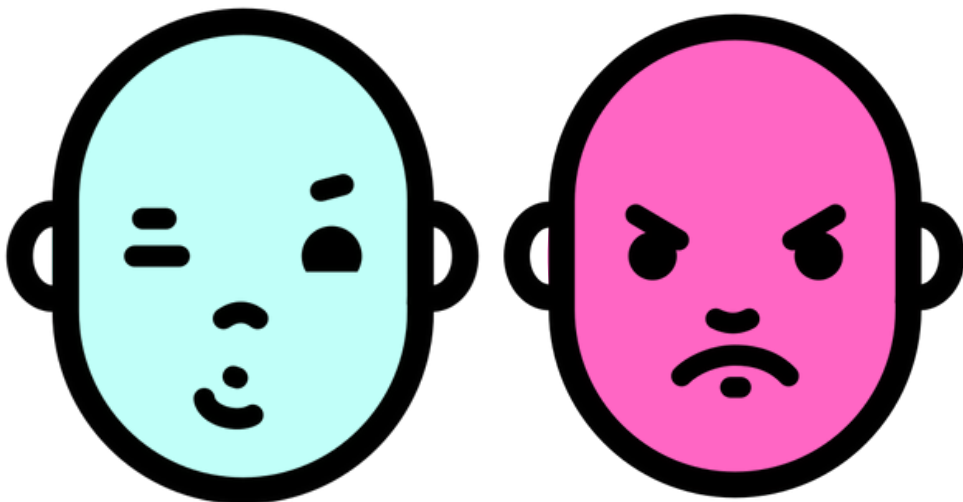

Taskmaster is a show where
comedians are given **silly jobs** to do.

Sometimes my work is really **silly**

and other times it's **really serious**.

usually it's both **silly** and **serious**.

Sometimes I show my art in **art galleries**

and sometimes I show my art on the **internet**

I **love making art** and I also love being able to **share** it with people like me
