Do you hear those calls?

#CEOsCall2Action

On 11 June, CSR Europe co-signed the Open Letter to EU Leaders to make sustainable development the overarching objective of the European Union's priorities. The letter is directed to the EU Heads of States and Government that will discuss the Strategic Agenda 2019-2024 at the European Council Summit on 20-21 June. Together with other 150 organisations, CSR Europe voiced the concerns of more than 100 CEOs that previously expressed their support for a New Deal for Europe at the Brussels SDG Summit last May. They want to accelerate sustainable growth, tackle climate change and create inclusive prosperity.

CSR Europe welcomes 3 new corporate members

3 New members recently joined CSR Europe. They are operating in a wide array of sectors, spacing from building materials (Cemex); to mapping and location data and related services (Here Technologies) and financial products and services (Iccrea Banca). Discover the added value that the
Multi-Sectoral partnerships deliver progress & impact

Find out how Renewables and Raw Materials can spark up new collaboration

Collaborative Platforms

Spain: Sustainability Awards' Call Open
When raw materials used in renewable energy technology are scarce in nature, it becomes paramount to find ways to source them in a sustainable and responsible way. At CSR Europe’s Workshop on Circular Business Models in Renewable Energy, on 1 July, companies will share their experience and look for opportunities for further collaboration. Read More

Explore how to enhance your biodiversity impact

Despite existing tools and methodologies to monitor both ongoing loss of biodiversity and success of conservation measures, businesses have yet to assess the impact of their activities consistently. How can they enhance the net positive biodiversity impacts of business across the value chain? Find out at CSR Europe webinar: ‘Industry & Biodiversity’ – Measuring Corporate Biodiversity Impact on 26 June. Read More

3 sustainability lessons from the automotive industry
From the creation of the Self Assessment Questionnaire (SAQ Tool) to assess potential sustainability issues in the supply chain to the localisation of its global approach to solve country-specific issues, the collaborative platform Drive Sustainability is minimising the impact of the automotive industry on the environment, while improving the social conditions of its workers. Include Business & Human Rights in your business operations
Business and Human Rights Training is an opportunity to enhance your expertise in day to day business operations. Catia Fernandes, Coordinator - Charte de la Diversité Lëtzebuerg at IMS Luxembourg, and member of CSR Europe’s National Partner Organisations, provides insights on the added value of the training. Register to CSR Europe’s webinar ‘Train the trainer programme’ on Business & Human rights on 27 June. Read More

Markets

Pursuing a Responsible & Transparent Tax Behaviour, the case of BBVA

With its Total Tax Contribution report, the multinational Spanish banking group discloses, on a yearly basis, its corporate income tax, VAT, wage tax and others, to increase transparency and trust amongst stakeholders. The BBVA approach was recently included in CSR Europe’s Blueprint on Responsible and Transparent Tax behaviour. Discover our service offer to help your company ensuring corporate responsibility on tax. Read More

How Investors contribute to the sustainable economy

http://newsbundle.csreurope.org/newsbundle/ethio2tg1gy[14/04/2020 14:34:08]
The European Commission’s Action Plan on Sustainable Finance underlines the key role of investors in supporting companies in their long-term value creation journey. CSR Europe’s Total Impact Disclosure approach offers a framework for the promotion of good practices in engaging investors and creating a better and long-term dialogue with the investor community. Discover the state of play regarding the implementation of the EU’s Action Plan at the webinar “Updates on Non-Financial Reporting and Sustainable Finance”, on 4 July 2019 Read More

EU

EU cracks down on Single-Use Plastics

From cotton bud sticks to cutlery, new EU directive currently in force bans the use of the 10 single-use plastic products polluting EU beaches, while introducing clean-up and waste management measures for producers that could save member states €22 billion by 2030, according to EU Commissioner Vella.
