Sustainability has Reached Critical Mass for Change

CEOs CALL TO ACTION:
for a Sustainable Europe by 2030

More than 370 CEOs are ready to work for a Sustainable Europe by 2030 at a time when 149 industry associations are pushing for an ambitious industrial strategy for Europe and the EU institutions are pursuing the greenest mandate of our time. Signatories, CSR Europe members and NPOs are invited to join the EU webinar on 19 December. You will discover the follow-up actions to the Call; what the EU Commission has worked on in its first three weeks, including what happened at COP25. READ MORE

5 Actions to Move Beyond Due Diligence in the Cobalt Supply Chain

In the latest study "Interconnected Supply Chains", the Organisation for Economic Co-operation and Development (OECD) offers insights on how companies can extend due diligence in the cobalt supply chain to include corruption and human rights risk. In response, companies of the Drive Sustainability partnership, facilitated by CSR Europe, issued a Position on Cobalt. The prerequisite for impactful action? Thought Leadership. READ MORE
Join the Sustainability Leaders Forum 2020

On 4-5 February, edie’s 2020 Sustainability Leaders Forum will focus on reaching the climate turning point. The event, taking place in London, unites business leaders and sustainability decision-makers from the world’s largest companies, along with climate experts, policymakers, NGOs and investors to ignite business transformation. CSR Europe members will receive a 15% discount upon registration. READ MORE

Join CSR Europe’s Biodiversity & Industry Platform

Biodiversity is declining at an unprecedented rate. “Business as usual” is no longer an option. For this reason, CSR Europe launched the Collaborative Platform Biodiversity and Industry. Join now and strengthen your business strategy for biodiversity conservation and regeneration while benefiting from best practices of other partners. Partners will gather on 30th January 2020 for the 1st working meeting. READ MORE

New Date for Digitalisation & Circular Economy Conference

Digitalisation and circular economy have the potential to drive our society and economy towards sustainability and transform the way we do business and live our lives. The 5th edition of the Sustainability and Innovation Conference, organised in collaboration with Huawei, will focus on Digitalisation & Circular Economy. Join us on 20 February 2020 and discover how companies can benefit from circularity and digitalisation. READ MORE
