Join us for Impactful Action, A New Year’s Message from our Executive Director

Climate change is a risk factor that cannot be solved by a single company alone. It requires collaboration between companies and their sector associations as well as dialogue with EU Leaders and civil society. For this reason, in 2020 CSR Europe will build a Pact 4 Sustainable Industry that will support the von der Leyen’s Commission in implementing the European Green Deal. Companies interested in obtaining key insights and discover best practices on sustainability management to scale-up impactful solutions are invited to check our 2020 Calendar of Events. READ MORE

Transforming Business Models, From Responsible Supply Chains to Circular Value Chains

There is a global tendency to more and more strict due diligence legislation. CSR Europe works with companies and across sectors on the implementation of due diligence frameworks in the supply chain. At the same time, it has never been more obvious that due diligence alone will not be enough. Engagement and collaboration across value chains and moving beyond due diligence is needed if companies want to have an impact on the social and environmental challenges the world is facing. There are several new business opportunities in rethinking the entire value chain, moving from a linear to a circular approach. Check the Calendar of Events 2020 to discover the many opportunities offered to engage in this field. READ MORE
