JOINT POLICY PROPOSALS FOR BOLD REFORMS:
To Make Vocational Education and Apprenticeships an Equal Choice for Youth + creation of Erasmus PRO
To Boost STEM Skills Whilst Supporting the Delivery and Validation of Softs Skills
To Mainstream Entrepreneurial Education in Learning

NEXT STEPS (2017 – 2019):
National Action Plans being rolled out by local stakeholders
SMEs reached through EUTalent awareness campaign on quality apprenticeships
Companies using Erasmus PRO for long-term mobility of apprentices
