## OVERVIEW

ALL NATIONS  
INTERNATIONAL  
reaching the neglected globally • the least, the last, and the lost

The Menings are found in South Sudan and north eastern Uganda. They speak Arabic, Mening, Swahili and Karamajong. Surrounded by war, the Menings are very security conscious and almost every home has a gun. The lack of stability caused by war has slowed down development. Their region lacks the basic infrastructure of many communities.

## PRAYER POINTS

*Yes, All Nations, I want to support this and all the programs and other ways All Nations reaches the neglected for Jesus.*

- Pray for peace in the surrounding region.
- Our team leader, Alice is currently recruiting a team. Pray that she would find a team to return to the Mening people with her.
- Pray for provision for Alice, her team, and the Mening people.
- Alice has met the chief of the Mening people. Pray that other people of peace would be found who are interested in having spiritual conversations about Jesus.
- Pray for the team as they learn and acclimate to the Mening culture.

## GET MORE INVOLVED

To learn more about how ministries and individuals can receive two-day mission training or go to the neglected, please contact us at: [info@allnations.international](mailto:info@allnations.international).

Would you give \$50 today for annual leadership training development for those like Alice who go to neglected cultures?
